APPLICATION Third Car Parking Exemption

Criteria for consideration:

- 1. Two cars actively in use and housed in resident's garage
- 2. At least three licensed drivers in household (copies of driver's license submitted with application)
- 3. All vehicles used daily.

Driveway length permits vehicle to be parked perpendicular to garage door without extending over curb into street or *over* end of drive onto sidewalk.

- 5. Application approval non transferable.
- 6. Member in good standing (no outstanding violations, fees or other monies due the Association)
