

# ESTRELLA VISTA

COMMUNITY NEWSLETTER

APRIL 2020

Another HOA year comes to an end, and our annual members meeting and Board of Directors election is just around the corner. The board has worked hard to meet the commitment we made to you 2 years ago. We promised to listen to you, to communicate with you and to do our best to resolve the issues that you present. We promised to have regular, well-advertised board meetings and work hard to maintain the look, function and overall quality of our community. We promised to do our best to keep costs down and to be responsible in spending your association's valuable dollars. We hope you find that we have been successful in meeting these commitments.

**Starting with the annual meeting scheduled for May 13th, we will be changing our meeting time to 7:00pm.** We are hoping the later start time will make it easier for those who face the daily commute into the city to more easily attend the meetings if you so choose. We will continue using the Media Center at the Desert Star Elementary school as our meeting place. As always, we invite you to attend these meetings to express your thoughts and feelings about your association and to share your ideas and opinions about the issues presented and the decisions made by the board. It is your community and your association, we can only keep it a great place to live with your help and input.

This year we will be electing two board members who will serve a terms of three and two years. Terms end this year for both Jim Evans and Cyndi Harlow. Cyndi was appointed to serve the balance of the term of Lou Reyes who resigned for personal reasons this past year. Both of these board members have been proud to make the commitment to our association, and both will be running to continue to serve our community.

As always, we encourage our members to "throw their hat into the ring" and run for one of the open board seats. Your interest and participation in the governing of your HOA will only serve to make us a better association and help to preserve the quality of our neighborhood. You will be getting an invitation to express your desire to run, and to submit a brief bio and reasons for running. If there is enough interest in this election and the governing of the HOA it may allow us to increase the board of directors to five (5) members in the future. Increased participation will allow us a greater influx of ideas and opinions for managing our association.

We will again conduct our election primarily "on line" via our partners at HOA Vote Now. You will also have the option to request a mail-in ballot or to cast your vote in person at the annual meeting. If you have access to and use e-mail, please make sure that Vision Community Management has your e-mail address. That is how you can receive information about the candidates, indicate your choice of candidates and is the best, least expensive and quickest means of communicating with you, our members.

I look forward to your participation in the Board of Directors election, the annual meeting and throughout the coming year. We need your input and ideas to help keep this a great place to live.

Stu Glenn

## Don't be in the Dark

The Association communicates with owners in various ways, so it is important that we have your correct contact information. Be sure to provide an updated mailing address, email and phone number to Vision Community Management at (480) 759-4945 or via email at so you aren't left out of important notices and updates!

## Next Meeting:

Please be sure to check [www.wearevision.com](http://www.wearevision.com) for updated meeting dates and locations to ensure meetings have not been moved or canceled at this time.
