KEYSTONE

COMMUNITY REMINDERS

- We have two community websites that you can access HOA info on. The original Keystone website can be found here: www.keystoneowners.org

- The Vision Community Management website for Keystone can be found at www.WeAreVision.com. Here, you can find all community documents and even login to your Vison Portal to view account balances, minutes, and more.

- Please remember to clean up after your pets, not only is this the courteous thing to do - it's the law! Also keep in mind, pets must be leashed at all times when outside of your property.

- Please be mindful of the increased number of children that are out in the community, and ensure you adhere to the posted speed limits at all times. Help to keep all children in Parkwood East safe!

EXTERIOR CHANGES AND UPGRADES

It is great to see homeowners making improvements and upgrades and taking time to enhance the appearance of their homes! We'd like to remind everyone that all exterior changes or additions require approval prior to you beginning the project. This includes, but is not limited to: painting, landscaping, screens, etc.

Be sure to visit the community website to download a form or complete one online. You'll need to include details regarding your project, so keep those handy. If you are thinking about a project and want to view the guidelines, approved paint colors, or other community info, the community website is a great resource or you can email the community email address at Keysonte@WeAreVision.com for more information or assistance.
