PET REGISTRATION FORM

Dogs and cats are allowed after prior written approval from the Board, per CC&R's Section 3.12, Page 5. However, you must follow the guidelines listed below. Please address the following when applying to bring a pet(s) into the Boyington Heights Community:

1. Each unit may have up to two pets: 1 indoor cat and 1 dog. Two dogs are not permitted. Cats must be indoor only.
2. Pets must weigh no more than 50 pounds each.
3. The Pet Application must be submitted to the Board, and approval in writing obtained before the pet resides at Boyington Heights.
4. Dogs and cats may not be left unattended outside of your unit, anywhere at any time.
5. Pet's waste must be cleaned up immediately, per CC&R's Section 3.12, Page 8.
6. There is a probation period of six (6) months from arrival, and complaints during this period will be addressed to determine the pets' compatibility within the community.
7. Complaints concerning your pet(s) may result in violations, fines and possible eviction of the pet, whether within or after the probation period.

BE ADVISED: All pets must be approved by the Board **PRIOR** to their residency at Boyington Heights, per CC&R's and Rules & Regulations. Failure to request per approval is a violation of the CC&R's and the Rules & Regulations.

I have read and understand the above-stated pet restrictions and prior approval requirements.
