

## **ATV-1 POOL INFORMATION AND GUIDELINES**

The pool within the ATV-1 HOMEOWNER'S ASSOCIATION is solely for the enjoyment of ATV-1 homeowners and their guests. The pool area is open for use year-round from 5:00am until 12:00am (midnight), except while maintenance and/or cleaning is in progress. Since no lifeguard is on duty at any time, safety is the Homeowner's responsibility. If courtesy and consideration for others are used in conjunction with the following guidelines, only a minimum of rules will be needed.

1. Observe all posted signage.
2. Observe the cardinal water safety rule – NEVER SWIM ALONE!!
3. Running, rough play in or out of the pool etc., is dangerous and is prohibited.
4. Diving is extremely dangerous and is prohibited.
5. Radios, if used, should be on a low volume or used with personal earphones.
6. Glass, breakable items, pets, and smoking are not allowed in the pool area.
7. No cooking is permitted inside pool area.
8. PLEASE DO NOT LITTER! Use the trash receptacles and clean-up after yourself.
9. Pool gate must be kept closed and locked at all times.
10. Pool keys are available at the Management Company's office.
11. If your key is lost or misplaced you will be charged a replacement fee of \$50.
12. All guests must be accompanied by a homeowner and will be that homeowner's responsibility.
13. A maximum of six (6) guests are permitted with each homeowner. Additional guest and requests for private parties require advanced notification to the Management Company.
14. Any homeowner who is delinquent on monthly assessments to ATV-1 will be required to bring their account up-to-date in order to have the privilege of pool use.

The following guidelines are suggested to help keep the pool clean and free of infectants:

- a. Proper swim attire only. No diapers or cutoffs please.
- b. If hair is longer than shoulder length, please braid it, put it in a ponytail or bun, or wear a bathing/swim cap. (Loose hair cannot be back-washed from the filter and reduces the filter's efficiency. Threads from cutoffs cause the same problem.)
- c. Avoid swimming if you have a cold, infection, etc.
- d. No tanning or other oils are permitted!!!

The restrooms and showers are provided as a convenience. Please leave them at least as clean as you found them. Please turn out the lights in the bathrooms when they are not in use.

Thank you for your assistance and cooperation.
