Happy Holidays to all!

WHAT IS A BLOCK WATCH?

This is a simple program of neighbors watching out for each other. Allowing citizens to work in cooperation with the police to reduce crime and improve the quality of life in their neighborhoods! It consists of getting to know your neighbors, reporting unusual activities as they occur, learning of and using crime prevention techniques.

But, it is not apprehending someone. That is left to the police.

We need a few more volunteers, please consider helping your neighborhood. Please let Don at DAdkins@WeAreVision.com know that you are interested. Let's get Block Watch going in our community!

HOLIDAY DECORATIONS

As there is less enforcement during this time of year to allow display of the holiday decorations, and use of the common areas, please be kind to the property. As stated in past newsletters, it is at your own risk of theft, vandalism and damages when you put up decorations in the common area. In return for use of the common areas, please be considerate of those who still need to access for maintenance and/or other reasons.

Please do not use metal stakes, and rebar in the ground. This poses danger to workers and residents, as well as damages to the landscaping and irrigation. Please put your low hanging decorations up high enough, approximately three feet high, so they aren't a trip hazard. Please have all holiday decorations cleaned up and put away by January 11th, 2023.
