I understand that openings will be available on the Board of Directors for the Rogers Ranch Unit 5 Homeowners Association.

I believe as a Board Member, I can make a contribution to the business aspects of the Association and represent all the members of the Association. I understand that the Board of Directors is charged with the responsibility to govern the affairs of the Association according to the legal documents of the Association, and I myself must fully understand these documents and must not be in personal violation of any part of them. I understand that the Board of Directors must make its decisions based on what is in the best interest of the community as a whole, not in the interest of any individual lot owner or group of lot owners and I believe I can make a contribution to this decision making process. If the vote does not go my way I will fully support the Board's final decision. If I am appointed to the Board of Directors, I will not use my position to gain personal power or advantages not available to non-board Association members.
