# The Foothills Community

**SUBDIVISION:** 2016 Color Palette

**LOCATION:** Phoenix, AZ, 85048

**Scheme 1**

	<p><b>DEC715 Sandal</b> Trim/Pop-out RL#672</p>
<p><b>DEC718 Mesa Tan</b> Body RL#687</p>	<p><b>DE6126 Stockhorse</b> Optional Accent RL#557</p>

**NOTES TO HOMEOWNERS:** Garage Doors must be painted the Body or Trim color within a scheme. The Gloss or Sheen used on the Body of the house may be no higher than an Eggshell. Must submit for approval to your HOA before applying. 02/29/2016

**COLOR DISCLAIMER:** These color chips are produced as accurately as possible; however, actual paint colors may vary from these samples and from batch to batch. Paint colors are affected by many factors, including lighting, age, type of finish, type of surface, and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full application. Application of the paint constitutes acceptance of the color. Dunn-Edwards assumes no responsibility for color after application.

**COLOR DISCLAIMER:** These color chips are produced as accurately as possible; however, actual paint colors may vary from these samples and from batch to batch. Paint colors are affected by many factors, including lighting, age, type of finish, type of surface, and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full application. Application of the paint constitutes acceptance of the color. Dunn-Edwards assumes no responsibility for color after application.

**COLOR DISCLAIMER:** These color chips are produced as accurately as possible; however, actual paint colors may vary from these samples and from batch to batch. Paint colors are affected by many factors, including lighting, age, type of finish, type of surface, and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full application. Application of the paint constitutes acceptance of the color. Dunn-Edwards assumes no responsibility for color after application.

**NOTES TO HOMEOWNERS:** These combinations are examples of what homeowners can choose and were added to aide the homeowner in the color choice process. They are not restricted to these combinations, and can mix and match the body and trim colors. The homeowner is still required to submit their request of colors to the board of the Foothills HOA for final approval.

**COLOR DISCLAIMER:** These color chips are produced as accurately as possible; however, actual paint colors may vary from these samples and from batch to batch. Paint colors are affected by many factors, including lighting, age, type of finish, type of surface, and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full application. Application of the paint constitutes acceptance of the color. Dunn-Edwards assumes no responsibility for color after application.
