

Exeter Place Association Community Newsletter February 2018

A Huge Thank You

The Board of Directors would like to extend a huge thank you to William Kennedy from unit 8 for his efforts and participation in removing the holiday decorations. He removed the lights by himself as a courtesy to the association. Your hard work does not go unnoticed!

Happy New Year

On behalf of the Board of Directors and Vision Community Management, wishing all residents of Exeter Place a safe and very Happy New Year!

Granite Installation

Areas that are in need of granite replenishment were sought out this winter. The areas in most need will be replenished with 1" Yavapai Pink Coral granite and this is to begin next week. Please look out for the landscapers performing the work and be considerate of their work space. Should any questions or concerns arise, please do not hesitate to contact Vision Community Management. We look forward to the outcome!

Street Sweeping Success

The Board recently approved a one-time sweep for the community to help alleviate any loose gravel and debris from the street slurry that occurred this past fall. The streets are noticeably better in regards to loose rocks and texture. Thank you for all residents in helping clear the streets, it was needed in achieving this project.

Don't Be In The Dark

The Association communicates with owners in various ways, so it is important that we have your correct contact information. Be sure to provide an updated mailing address, email and phone number to Vision Community Management at ExeterPlace@WeAreVision.com so you aren't left out of important community notices and updates!
