D'ARCY RANCH

Over Seeding

The D'Arcy Ranch Rules and Regulations state "Front yard grass Visible from Neighboring Property must be kept green year round unless it is determined by the city or the Board of Directors that due to environmental conditions we not use water resources. This requires over seeding, which must be completed by November 15."

Front yard lawns are required to be over seeded to maintain a green appearance by November 15, 2014. Properties in non-compliance are subject to violation notices. Thank you for helping keep the neighborhood a great place to live!

Home Improvements

Please remember, you are required to obtain approval from the Architectural Committee before any change to the exterior can be completed. The new Architectural Application and Guidelines are available online at www.wearevision.com by clicking "View All Communities" and selecting D'Arcy Ranch.

Our community is holding a GAIN (Getting Arizona Involved in Neighborhoods) event! GAIN takes place in the cooler month of October. It's a great way to meet your neighbors and show support for keeping our community safe.

This is a potluck, so bring a dish to share! The community will sponsor hot dogs, hanburgers and drinks

Everyone is welcome and we hope to see you!
