The Community Association shall not be deemed to be conducting a business of any kind, and all funds received by the Community Association shall be held and applied by it for the Owners and Members in accordance with the provisions of this Community Declaration, the Articles and the Bylaws.

### 2.2 Membership in Community Association.

2.2.1. There shall be one membership in the Community Association with one membership vote for each Lot. An Owner shall be entitled to one membership in the Community Association for each Lot he owns so long as he is the Owner of the Lot. If the Owner of a Lot is other than one individual, the Owner shall specify i-

writing to the Community Association the individual who is the Member of the Community Association for the Lot. In the absence of such written specification, Assessments shall nevertheless be charged against the Lot and Owner thereof, but there shall be no right to vote the membership. The Member must be an individual who is an Owner or, if the Owner is or includes a Person other than an individual, an individual who is a partner, if the Owner is or includes a partnership; or an officer of the corporation, if the Owner is or includes a corporation; or a beneficiary of the trust, if the Owner is or includes a trust; or an owner of the entity, if the Owner is or includes a Person other than an individual, a partnership, a corporation or a trust. The Member, as so specified, shall be the only Person entitled to vote for the Owner of the Lot at Community Association meetings and elections. An Owner may change the individual who is the Member for his Lot, provided each such individual is eligible to be a Member hereunder, in such manner and with such frequency, and subject to such reasonable processing fees, as the Board from time to time may permit.

2.2.2. A membership in the Community Association shall not be transferred, pledged or alienated in any way except as expressly provided herein. A membership shall automatically be transferred to the new Owner (subject to the provisions of Section 2.2.1.) upon the transfer of the Lot to which it appertains (and then only to such transferee), whether by sale, intestate succession, testamentary disposition, foreclosure of a Mortgage or other legal process transferring fee simple title to such Lot.

2.3 Pledge of Voting Rights. Notwithstanding the foregoing, in the event that an Owner has granted an irrevocable proxy or otherwise pledged the voting right appurtenant to his membership to a Mortgagee as additional security, only the vote of such Mortgagee will be recognized in regard to such special matters if a copy of such proxy or other instrument pledging such vote has been filed with the Community Association prior to the vote. In the event that more than one such instrument has been filed prior to the vote, the Community Association shall recognize the rights of the first Mortgagee to so file, regardless of the priority of the Mortgages themselves.

2.4 Declarant's Voting Rights and Assignment Thereof. Notwithstanding anything to the contrary herein, Declarant shall be entitled to three votes for each Lot owned by Declarant. If any lender to whom Declarant has assigned, or hereafter assigns, as security all or substantially all of its rights under this Community Declaration succeeds to the interests of Declarant's as provided in Section 2.17 shall not be terminated thereby, and such lender shall hold Declarant's voting rights on the same terms as they were held by Declarant pursuant hereto.

2.5 Board of Directors.

2.5.1. The affairs of the Community Association shall be conducted by the Board as herein provided and in accordance with the Articles and Bylaws. Except for directors elected by Declarant, each director shall be a Member or the spouse of a Member. If a director shall cease to meet such qualifications during his term, he will thereupon cease to be a director and his place on the Board shall be deemed vacant.

2.5.2. Declarant shall have the absolute power and right to appoint and remove the members of the Board until the Transition Date. After that date, the Members of the Community Association shall have the power and right to appoint and remove the members of the Board as provided in the Articles and Bylaws.

2.5.3. Notwithstanding anything in Section 2.5.2. to the contrary, after the Transition Date all or any members of the Board may be removed from office at any time by action of the Members, as provided below. Upon the presentation to the President of a petition duly executed by not less than 25% of the Members in favor of the removal from office, a meeting of the Community Association shall be promptly held to determine whether such member or members of the Board should be removed from office. Upon the affirmative vote of two-thirds of the Members to remove such member or members of the Board from office, such member or members shall be deemed removed from office. Any vacancy on the Board created by the removal of a member of the Board as herein provided shall be filled by an election of all of the Members in the manner provided in the Articles or Bylaws for the election of directors.

2.6. Duties and Powers of the President.

2.6.1. To the extent not prohibited by law, or as otherwise herein expressly limited, including, but not limited to, Section 2.6.2., the President of the Community Association shall be empowered to exercise control over the affairs of the Community Association and to act on behalf of, and bind, the Community Association in every instance wherein the Community Association is required or permitted to take any action. The action of the President shall at all times be subject to the review of the Board.

2.6.2. Notwithstanding anything in Section 2.6.1. to the contrary, the President shall not have the power to borrow any funds on behalf of the Community Association or make any expenditures on behalf of the Community Association which are, in the aggregate, more than the total amount of the Community Association's budget, or increase the amount of or levy any Assessment (except a Special Assessment applicable to fewer than all Members and Owners), without the prior approval of the Board.

2.6.3. The President may appoint such assistants as he deems necessary or appropriate. No compensation shall be paid to any assistant except as provided in the Community Association's budget or as otherwise approved by the Board.

2.6.4. Any right or power herein given or delegated to the President which cannot be exercised by the President, whether by reason of law or otherwise, shall be deemed to be a right or power to be exercised by the Board.

2.7. Board's Determination Binding. In the event of any dispute or disagreement between any Owners, Members, or any other Persons subject to this Community Declaration (except officers or directors of the Community Association while acting in their capacities as such), relating to the Property, or any question of interpretation or application of the provisions of this Community Declaration, the Articles, Bylaws, Community Association Rules to the Property, the determination thereof by the Board shall be final and binding on each and all of such Owners, Members or Persons. The Board may, at its election, delegate the resolution of such dispute or disagreement to a committee appointed by the Board.

2.8. Notice and Quorum for Meetings Requiring Action by the Membership. Written notice of any meeting called for the purpose of taking action by the membership should be sent out not less than thirty day nor more than sixty days in advance of the meeting. At the first meeting called, sixty percent of the membership entitled to vote, whether present or by proxy, would constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements. The required quorum at the subsequent meeting would be reduced to one-half of members from the previous meeting. No such subsequent meeting shall be held more than sixty days following the preceding meeting.

2.8.1. Voting Eligibility. All members should be current and in good standing with the Community Association to be allowed to vote.

2.8.2. Approval by Members. Unless elsewhere otherwise specifically provided in this Community Declaration, the Articles or Bylaws, any provision of this Community Declaration, the Articles or Bylaws which requires the vote or assent of the Members of the Community Association shall be deemed satisfied by the following:

(a) ~~The vote in person or by proxy of the specified percentage of Members at a meeting duly called and noticed pursuant to the provisions of the Articles or Bylaws dealing with annual or special meetings of the Members; or~~

(b) ~~Written consents signed by the specified percentage of Members if provided in the Bylaws and permitted by law.~~

(c) If no percentage of Members is otherwise specified, then the vote or written assent by a Majority of Members shall be required.

2.9. Additional Provisions in Articles and Bylaws. The Articles and Bylaws may contain any provision relating to the conduct of the affairs of the Community Association and the rights and powers of its directors, officers, employees, agents and Members not inconsistent with law or this Community Declaration. A current copy of the Articles and Bylaws shall at all times be kept on file with the Association.

2.10. Community Association Rules. The Board shall be empowered to adopt, amend or repeal such rules and regulations as it deems reasonable and appropriate binding upon all Persons subject to this Community Declaration and governing the use and/or occupancy of the Common Areas and all other parts of the Property. The Community Association Rules may include the establishment of a system of fines and penalties enforceable as Special Assessments. The Community Association Rules shall govern matters in furtherance of the purpose of the Community Association including, but not limited to, the use of the Common Areas; provided, however, that the Community Association Rules may not discriminate among Owners and Members except as expressly provided or permitted herein, and shall not be inconsistent with this Community Declaration, the Articles, Bylaws and, Community Design Guidelines. A copy of the Community Association Rules, as they may from time to time be adopted or amended, or a notice setting forth the adoption, amendment or repeal of specific portions of the Community Association Rules shall be delivered to each Owner and Member in the same manner established in this Community Declaration for the delivery of notices. A current copy of the Community Association Rules shall at all times be kept on file with the Association. Upon completion of the notice requirements, the Community Association Rules shall have the same force and effect as if they were set forth in and were part of this Community Declaration and shall be binding on the Owners and Members, and all other Persons having any interest in, or making any use of, the Property, whether or not actually received by them. A current copy of the Community Association Rules shall be available at the principal office of the Community Association to each Owner, Member or other Person reasonably entitled thereto, upon request. In the event of any conflict between any provision of the Community Association Rules and any provisions of this Community Declaration, or the Articles, Bylaws, Community Design Guidelines shall be deemed to be superseded by the provisions of this Community Declaration to the extent of any such conflict.

2.11. Indemnification. To the fullest extent permitted by law, every director and every officer of the Community Association and Declarant (to the extent a claim may be brought against Declarant by reason of its appointment, removal or control over members of the Board) shall be indemnified by the Community Association, and

every other person serving as an employee or direct agent of the Community Association, or on behalf of the Community Association as a member of a committee or otherwise, may, in the discretion of the Board, be indemnified by the Community Association, against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having served in such capacity on behalf of the Community Association (or in the case of Declarant by reason of having appointed, removed or controlled or failed to control members of the Board), or any settlement thereof, whether or not he is a director, officer or member of any such committee or serving in such other specified capacity at the time such expenses are incurred, provided that the Board shall determine, in good faith, that such officer, director, or other person, or Declarant, did not act, fail to act, or refuse to act willfully or with gross negligence of fraudulent or criminal intent in the performance of his duties. The foregoing rights of indemnification shall be in addition to any not exclusive of all other rights to which such person may be entitled at law or otherwise.

2.12. Non-Liability of Officials. To the fullest extent permitted by law, Declarant, the President, the Board, any committees of the Community Association and every member thereof, and every director and officer of the Community Association, shall not be liable to any Member, Owner, Occupant, the Community Association or any other person for any damage, loss or prejudice suffered or claimed on account of any decision, approval or disapproval of plans or specifications (whether of not defective), course of action, act, inaction, omission, error, negligence or the like made in good faith and which Declarant, the President, the Board, or such committees or persons reasonably believed to be within the scope of their respective duties.

2.13. Easements. In addition to the blanket easements granted in Section 3.1, the Community Association is authorized and empowered to grant upon, across or under real property owned or controlled by the Community Association such permits, licenses, easements and rights-of-way for sanitary sewer lines, water lines, underground conduits, storm drains, television cable and other similar public or private utility purposes, roadways or other purposes as may be reasonably necessary and appropriate for the orderly maintenance, preservation and enjoyment of the Common Areas and for the preservation of the health, safety, convenience and welfare of the Owners and Members, provided that any damage to a Lot resulting from such grant shall be repaired by the Community Association at its expense.

2.14. Accounting. The Community Association, at all times, shall keep, or cause to be kept, true and correct records of account in accordance with generally accepted accounting principles specifying in reasonable detail all expenses incurred and funds accumulated

from Assessments or otherwise and shall have such books available for the inspection of all Owners and Members at reasonable times during regular business hours.

2.15. Records. The Community Association shall, upon reasonable written request and during reasonable business hours, make available for inspection by each Owner and Member the books, records and financial statements of the Community Association together with current copies, as amended from time to time, of this Community Declaration and the Articles, Bylaws, Community Association Rules, and Community Design Guidelines. Notwithstanding the foregoing, the Community Association shall not be required to make its books and records for the period prior to the Transition Date available for inspection except as required by law. The Declarant shall not be under any obligation to make its own books and records available for inspection by any Owner, Member or other person. The books and records of the Community Association may be audited or unaudited as the Board may from time to time determine.

2.16. Managing Agent. All powers, duties and rights of the Community Association, the President and the Board, as provided by law and herein, may be delegated to a managing agent, under a management agreement; provided, however, that no such delegation shall relieve the Community Association of its obligation to perform any such delegated duty. Any agreements for professional management, and any other contract providing for services of Declarant or any other party, shall not exceed a term of three years, which term may be renewed by agreement of the parties for successive one-year periods, and shall further provide for termination by either party with or without cause and without payment of a termination fee upon 90 days' written notice.

2.17. Declarant's Control of Community Association. Notwithstanding anything in this Community Declaration to the contrary, Declarant shall maintain absolute control over the Community Association, including appointment of the President and the members of the Board, until the Transition Date. Until the Transition Date, only Declarant will be entitled to cast any vote with respect to the election of directors to the Board, removal of directors or any other matter requiring the approval of the Members except a vote of the Members with respect to certain provisions of this Community Declaration as set forth in Section 14. The Transition Date shall be the first to occur of (a) the date on which at least 90% of the completed residences have been conveyed to purchasers other than Declarant or (b) the date on which Declarant requires the Members to assume control of the Community Association as provided in the next sentence. Declarant voluntarily may (but shall not be required to) require the Members to assume control of the Community Association at any time.

### 3. EASEMENTS

3.1. Blanket Easements. There is hereby created a blanket easement upon, across, over and under the Property for ingress and egress (over existing roadways), installing, constructing, replacing, repairing, maintaining and operating all utilities including, but not limited to, water, sanitary sewer, gas, telephone, electricity, television cable, security systems, and communication lines and systems, and in addition thereto for the use of emergency vehicles of all types. By virtue of the easement, it shall be expressly permissible for the providing utility company to erect or place underground and maintain the necessary facilities, wires, circuits, conduits, cables and related appurtenances, facilities and equipment on the Property. Notwithstanding anything to the contrary contained in this Section, no easements shall be created nor shall any sanitary sewers, electrical lines, water lines or other facilities for utilities be installed or relocated except as initially created and approved by Declarant or thereafter created or approved by the Community Association. This provision shall in no way affect any other recorded easements on the Property.

3.2. Use of Common Areas. Except for the use limitations provided in Section 3.3 which, by becoming an Owner or Member, each Owner and Member accepts and shall be deemed to have accepted, each Owner and Member shall have the nonexclusive right to use the Common Areas in common with all other Owners and Members as required for the purposes of ingress and egress to (and use, occupancy and enjoyment of) the Owner's Lot and between any Lot owned by such Owner or Member and Common Areas or other portions of the Project available for the use of said Owner or Member. Such right to use the Common Areas for purposes of access and ingress and egress shall, subject to the Community Association Rules, extend to each Owner, Member, Occupant and the agents, servants, tenants, family members and invitees of each Owner or Member. This right to use the Common Areas shall be perpetual and appurtenant to each respective Lot, subject to and governed by the provisions of this Community Declaration, the Articles, Bylaws, Community Design Guidelines, Community Association Rules and such reasonable limitations and restrictions as may from time to time be contained therein.

3.3. Exclusive Use Rights. Certain portions of the Common Areas may be reserved by the Board for the exclusive control, possession and use of the Owner of a Lot. ~~If such an area serves as access to and from two or more Lots, the Owners of the Lots shall have joint control, possession and use of such portion of said area as reasonably serves all such Lots. Easements are hereby created in favor of and running with each Lot having such an area for the exclusive control and use of each such area. The use rights authorized herein are subject to the blanket utility easement and maintenance provisions contained in this Community Declaration and~~

to such reasonable rules and regulations with respect to possession, control, use and maintenance as the Community Association may from time to time promulgate. Each Owner, by accepting title to a Lot, shall be deemed to have further ratified the easements and rights to exclusive use created by this Section 3.3.

3.4. Declarant Easement. There is hereby created an affirmative, nonexclusive easement in favor of Declarant, and appurtenant to the portions of the Property owned by Declarant, for ingress and egress over all Common Areas including, but not limited to, Private Streets, and for the right to go over, under and across, and to enter and remain upon all Common Areas for all purposes reasonably related to Declarant's rights and obligations hereunder and to the developments, operation, maintenance, advertisement and sale or rental of any portions of the Property owned by Declarant.

3.5. Community Association Easement. There is hereby created an affirmative, nonexclusive easement in favor of the Community Association for ingress and egress over all of the Property (except the interior of occupied residential dwelling units) for the purpose of enabling the Community Association and its contractors, employees, representatives and agents to implement the provisions of the Community Documents.

3.6. Wall Easement. One or more Lots may contain walls constructed by developer that form an aesthetic, architectural or structural element. In such event, there shall exist an easement upon the Lot in favor of the Lot for the establishment, maintenance, repair and replacement of each such wall. Notwithstanding anything herein to the contrary, the maintenance, repair and replacement of each such wall shall be governed by the provisions of Sections 8.1 and 8.2 hereof.

#### 4. ASSESSMENTS.

4.1. Creation of Lien and Personal Obligation. Each Owner and Member, by acceptance of a deed or other conveyance of an interest in a Lot or by acceptance of his membership, is deemed to covenant and agree to pay to the Community Association: Regular Assessments, Special Assessments, Capital Improvement Assessments, and Reconstruction Assessments, if applicable, such Assessments to be established and collected from time to time as provided in this Community Declaration. The Assessments, together with interest thereon, late charges, fines, attorney's fees and court costs, and other costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the Owner's or Member's Lot against which the Assessments are made. Each Assessment, together with such interest and other costs, shall also be the personal obligation of

the Member and/or Owner to whom the Assessment relates. The personal obligation for delinquent payments shall not pass to an Owner's or Member's successor unless expressly assumed by him. The obligation of a Member, and the Owner of the Lot to which such membership appertains, for the payment of Assessment shall be joint and several.

4.2. Purpose of Assessments. The Assessments levied by the Community Association shall be used to promote the recreation, health, safety and welfare of the Owners and Members, to enhance the quality of life within the Property, to preserve the value of the Property, to pay the costs of administration of the Community Association and all other Common Expenses, and otherwise to further the interests of the Community Association.

4.3. Regular Assessments.

4.3.1. Except as otherwise specifically provided herein (including, but not limited to, Section 4.3.4), each Member shall pay as his Regular Assessment the Member's Proportionate Share of the Common Expenses. Except as otherwise specifically provided herein, payment of Regular Assessments shall be in such amounts and at such times as may be provided in the Articles and Bylaws or as determined by the Community Association.

4.3.2. Not later than 60 days prior to the beginning of each fiscal year of the Community Association after the year in which Assessments are first payable hereunder, the Community Association shall make available for review by each Owner and Member at the Community Association's office during reasonable times a pro-forma operating statement or budget for the upcoming fiscal year which shall, among other things, estimate the total Common Expenses to be incurred for such fiscal year. Subject to the provisions of Section 4.3.4, the Community Association shall at that time determine the amount of the Regular Assessment to be paid by each Member and notify the Member thereof. Each Member shall thereafter pay to the Community Association his Regular Assessments in monthly installments. Each such installment shall be due and payable on the first day of each month. Notwithstanding anything foregoing to the contrary, the Community Association shall not be required to prepare, or distribute to Members, any operating statement or budget for any period prior to December 31, 1993.

4.3.3. Subject to the limitations set forth in parts (a) through (g) of Section 4.3.4, if the Community Association determines at any time during a fiscal year that the total Regular Assessments for the current year are, or will become, inadequate to meet all Common Expenses for whatever reason, including Common Expenses in excess of the estimated Common Expenses used in preparation of the Community Association's budget for that year (except as provided in Section 4.4 hereof), the President shall then immediately determine the approximate amount of such inadequacy and, with the consent of

the Board, issue a supplemental estimate of the Common Expenses and determine the revised amount of Regular Assessments to be paid by each Member for the balance of the year, and the date or dates when due. If the revised increase in the Regular Assessment, set forth in this Section 4.3.3, exceeds ten percent, the increase must be ratified by a two third vote of the membership. If the estimated total Regular Assessments for the current year proves to be excessive in light of the actual Common Expenses, the Community Association may, at the discretion of the Board, retain such excess as additional working capital or reserves, reduce the amount of the Regular Assessments for the succeeding year, or abate collection of Regular Assessments for such period as it deems appropriate. No reduction or abatement of Regular Assessments because of any such anticipated surplus may diminish the quantity or quality of services upon which the Common Expenses for the year in question are based.

4.3.4. Notwithstanding anything in this Section 4.3 to the contrary, the provisions of this Section 4.3.4 shall apply and be controlling.

(a) No Regular Assessments shall be levied or due prior to all Common Area improvements being completed. Regular Assessments for each fiscal year of the Association shall be payable in equal quarterly installments. The installments of Regular Assessments payable for 1993 by each Lot shall be \$ 50.00 per month (said monthly installment herein called the "Base Assessment"). Thereafter, through 2013, the Regular Assessment shall automatically be increased annually for each fiscal year of the Association (as hereinbelow provided) to reflect any increase in the Index (as hereinafter defined). The fiscal year of the Association shall be the calendar year, unless otherwise specified in the Articles or Bylaws.

(b) Commencing with the year 1993, the annual Regular Assessment (the amount of which Regular Assessment shall remain payable in equal monthly installments for each month of the fiscal year) for each Lot shall be equal to the Owner's Adjusted Regular Assessment (as hereinafter defined), determined most recently prior to commencement of the fiscal year.

(c) The Adjusted Regular Assessment shall be determined in any given year by reference to the Consumer Price Index, as published by the United States Department of Labor, Bureau of Labor Statistics (the "Index"). The "Beginning Index" shall be the Index published most recently prior to 1982. The "Adjustment Index" shall be the Index published most recently prior to the Adjustment Date. The "Adjustment Date" shall be the 30th day of September of each year during the period beginning with the year 1993 and ending with the year 2013

(d) The "Adjusted Regular Assessment" for a Lot shall equal twelve times the product of the Base Assessment multiplied by a fraction, the numerator of which is the Adjustment Index and the denominator of which is the Beginning Index. In no case, however, shall the Adjusted Regular Assessment for any Lot be less than the Adjusted Regular Assessment for the same Lot for the previous year. If the Index is revised or discontinued at any time, the Beginning Index shall be converted to a comparable figure under such revised index or any other similar index selected by the Association in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics, or any other publisher thereof, and such revised index or similar index shall thereafter be used in computing the Adjusted Regular Assessments; provided, that if such index conversion is unchangeable, Declarant shall in its sole and absolute discretion select any such other similar index to be used thereafter. If the Adjusted Regular Assessment, contained in parts (c) and (d) of this Section 4.3.4., exceeds ten percent, the increase must be ratified by a two third vote of the membership.

(e) Commencing with the year 1993, Regular Assessments shall be determined in the manner set forth in this Section 4.3, exclusive of the provisions of parts (a) through (d) of this Section 4.3.4.

(f) For so long as the provisions of Section 4.17 exempt Lots owned by Declarant from Assessments, Declarant shall supply the Community Association with funds, services or materials from time to time as required to allow the Community Association to perform necessary or appropriate functions, as provided for herein. Any such contribution of services or materials shall be valued for the purposes of this part (f) at their fair market value. Notwithstanding anything foregoing to the contrary, in no event shall Declarant's contribution obligations pursuant to this part (f) exceed the amount Declarant would have been obligated to pay in Assessments if the exemption provisions of Section 4.17 were not in effect.

(g) If the Members elect, pursuant to Sections 9.16 and 9.19 hereof, to erect, install, operate and maintain a guard house (and related amenities), the costs thereof shall be borne, so long as Section 4.17 exempts Lots owned by Declarant from Assessments, entirely by Owners and Members and shall not in any manner increase Declarant's obligations under part (f) of this Section. Costs imposed upon Owners and Members pursuant to this part (g) shall be deemed to be Assessments secured by the lien provided for in this Section 4, but such costs shall not be subject to the limitations set forth in parts (a) through (d) of this Section 4.3.4.

~~4.4. Special Assessments. - Special Assessments shall be levied by the Community Association against any Member and/or an Owner and his Lot to reimburse the Community Association for:~~

35/48

95 012236

4.4.1. Costs incurred in bringing a Member or an Owner and his Lot into compliance with the provisions of this Community Declaration, or the Articles, Bylaws, Community Design Guidelines, and Community Association Rules;

4.4.2. Any other charge designated as a Special Assessment in this Community Declaration, the Articles, Bylaws or Community Association Rules;

4.4.3. Fines levied or fixed by the Board as provided herein; and

4.4.4. Attorney's fees, interest and other costs or charges provided to be paid as, or which are incurred in connection with, a Special Assessment in accordance with this Community Declaration, the Articles, Bylaws, Community Design Guidelines, and Community Association Rules.

In the event the Community Association undertakes to provide materials or services which benefit individual Members or Lots and which can be accepted or not by individual Members, such Members, in accepting such materials or services agree that the costs thereof shall be a Special Assessment.

4.5. Capital Improvement Assessments.

4.5.1. In addition to the Regular Assessments, the Community Association may levy in any calendar year a Capital Improvement Assessment applicable to that year only, for the purpose of defraying, in whole or in part, any action or undertaking on behalf of the Community Association in connection with, or the cost of, any construction or replacement of a described capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, to the extent the same is not covered by the provisions concerning Reconstruction Assessments in Section 6. However, the Community Association shall not impose a Capital Improvement Assessment in an amount which in any one year exceeds the estimated annual Common Expenses without the vote of a Majority of Members. No portion of reserves collected by the Community Association for the future maintenance and repair of the Common Areas shall be included in determining the foregoing ~~limitation on any annual Capital Improvement Assessment.~~

4.5.2. If Members elect to construct guard house improvements pursuant to Section 9.16 and 9.19 hereof, the Association shall levy a Capital Improvement Assessment for the cost of such improvements, including any necessary fixtures and personal property related thereto. Any such Assessments shall be in addition to and not in lieu of any Capital Improvement Assessments authorized under Section 4.5.1. hereof.

4.5.3. All amounts collected as Capital Improvement Assessments may only be used for capital improvements and shall be deposited by the Community Association in a separate bank account to be held for such purposes. Such funds shall not be commingled with any other funds of the Community Association and shall be deemed a contribution to the capital account of the Community Association by the Members.

4.5.4. All Capital Improvements must be approved by the Membership by a two thirds majority vote.

4.6. Uniform Assessment. Subject to the provisions of Sections 4.3.4 and 4.17, the Regular Assessment and any Capital Improvement Assessment or Reconstruction Assessment shall be uniform for all Lots in the Property.

4.7. Exempt Property. All properties dedicated to and accepted by, or otherwise owned or acquired by, a public authority shall be exempt from the Assessments created herein.

4.8. Date of Commencement of Regular Assessments. Subject to the provisions of Section 4.3, Regular Assessments shall commence as to each Member and Owner on the first day of the month following the date on which the transfer of title occurs on the Lot to which the membership appertains.

4.9. Time and Manner of Payment; Late Charges and Interest. Assessments shall be due and payable by the Members in such manner and at such times as the Community Association shall designate. If not paid within ten days after its due date, each such Assessment shall have added to it a late charge equal to 10% of the amount of Assessment or such other charge as the Board may specify from time to time. Any Assessment not paid within ten days of its due date shall bear interest at the Default Rate of Interest from the due date until paid. The Community Association may not waive the late charge and/or interest in any particular instance except in the case of fees assessed in error.. A delinquent Member shall also be liable for attorney's fees and other related costs incurred by the Community Association as a result of such delinquency whether or not any legal proceeding is commenced for collection of unpaid amounts, and if any suit, action or arbitration proceeding is brought to collect any such Assessment or charge, the costs of suit and reasonable attorney's fees to be fixed by the court shall be added to the amount thereof and included in any judgement or award rendered thereon. ~~The delinquency of a Member shall be deemed also to constitute the delinquency of the Owner of the Lot to which such Membership is appurtenant.~~

4.10. No Offsets. All Assessments shall be payable in the amount specified in the Assessment or notice of Assessment and no offsets against such amount shall be permitted for any reason, but not limited to, a claim that (a) the Community Association, the Board,

the President or Declarant is not properly exercising its duties and powers as provided in this Community Declaration; (b) Assessments for any period exceed Common Expenses; or (c) a Member has made, and elects to make, no use of the Common Areas.

4.11. Homestead Waiver. Each Owner and Member, to the extent permitted by law, hereby waives, to the extent of any liens created pursuant to this Community Declaration, whether such liens are now in existence or are created at any time in the future, the benefit of any homestead or exemption laws of the State of Arizona now in effect or in effect from time to time hereafter.

4.12. Reserves. Any reserves included in the Common Expenses which are collected as part of the Regular Assessments shall be deposited by the Community Association in a separate bank account to be held for the purposes for which they are collected and are to be segregated from and not commingled with any other funds of the Community Association, except to the extent that the Community Association's regularly employed accountant deems it desirable to do otherwise on the basis of standard accounting principles in similar contexts or the laws, tax or otherwise, of the State of Arizona or the United States relating to non-profit corporations or homeowners associations. Such reserves shall be deemed a contribution to the capital account of the Community Association by the Members. The responsibility of the Board (whether while controlled by Declarant or Members) shall be only to provide for such reserves as the Board in good faith deems reasonable, and neither Declarant, nor the Board nor any member thereof shall have any liability to any Owner or Member or to the Community Association if any reserves prove to be inadequate.

4.13. Subordination of Lien. Any lien which arises against a Lot by reason of the failure or refusal of an Owner or Member to make timely payment of any Assessment shall be subordinate to the lien of a prior recorded First Mortgage on the Lot, acquired in good faith and for value, except for the amount of the unpaid Assessment (together with any interest, costs, reasonable attorney's fees and any late charges related thereto) which accrues from and after the date on which a First Mortgagee comes into possession of or acquires title to the Lot, whichever occurs first, and if any lien for unpaid Assessments prior to the date of the First Mortgagee comes into possession of or acquires title to the Lot has not been extinguished by the process by which such First Mortgagee came into possession of or acquired title to the Lot, the First Mortgagee shall not be liable for such unpaid Assessments and, upon written request to the Community Association by the First Mortgagee, such lien shall be released in writing by the Community Association. Any unpaid Assessments which are extinguished pursuant to the foregoing sentence shall continue to be the personal obligation of the delinquent Owner and Member and may also be reallocated by the Community Association among all Members as part of the Common Expense.

4.14. Certificate of Payment. Any Person acquiring an interest in any Lot shall be entitled to a certificate from the Community Association setting forth the amount of due but unpaid Assessments relating to the Lot, if any, and the Person shall not be liable for, nor shall any lien attach to the Lot in excess of, the amount set forth in the certificate, except for Assessments which occur or become due after the date thereof and any interest, costs, attorney's fees and any late charges related to such subsequent Assessments.

4.15. Enforcement of Lien. The lien provided for in this Section 4 may be foreclosed by the Community Association in any manner provided or permitted for the foreclosure of realty mortgages or deeds of trust in the State of Arizona. All of the provisions of this Section 4 relating to the enforcement of the lien provided for herein (including, but not limited to, the subordination provision in Section 4.13 or the provisions of this Section 4.15) shall apply with equal force in each other instance provided for in this Community Declaration, the Community Design Guidelines or the Community Association Rules wherein it is stated that payment of a particular Assessment, charge or other such shall be secured by the lien provided for in this Section 4. Nothing herein shall be construed as requiring that the Community Association take any action required hereunder in any particular instance, and the failure of the Community Association to take such action at any time shall not constitute a waiver of the right to take such action at a later time or in a different instance.

4.16. Pledge of Assessment Rights as Security. The Community Association shall have the power to pledge the right to exercise its assessment powers and rights provided for in this Community Declaration as security for any obligation of the Community Association. The Community Association's power to pledge its assessment powers shall include, but not be limited to, the ability to make an assignment of Assessments which are then payable to, or which will become payable to, the Community Association. Any such assignment may be presently effective but shall allow the Assessments to continue to be paid to the Community Association and used by the Community Association as set forth in this Community Declaration, unless and until the Community Association defaults on the obligations secured by the assignment.

4.17. Exemption of Unsold Lots. Notwithstanding anything in this Section 4 or in Section 6 to the contrary, prior to the year 19\_\_ or, if earlier, the Transition Date, no Assessments except those provided for in Section 4.5.2 hereof shall be levied upon, or payable with respect to, any Lot owned by Declarant, or any affiliate of Declarant, or any shareholder (or such shareholder's successors, heirs or devisees) in Declarant to whom the Lot has been distributed by Declarant (as distinguished from having been purchased by the shareholder), or by any trustee for any of the aforesaid Persons, until such Lot has been conveyed by Declarant

(or said affiliate, shareholder or trustee) to an unaffiliated purchaser.

## 5. INSURANCE

5.1. Authority to Purchase. The Community Association shall purchase and maintain insurance including, but not limited to, the insurance described in Section 5.3. Such policies and any endorsements thereon, or copies thereof, shall be deposited with the Community Association. The Community Association shall advise Owners and Members of the coverage provided by these policies in order to permit Owners and Members to determine which particular items are included within the coverage so that Owners and Members may insure themselves as they see fit if certain items are not insured (or are not insured adequately, in the opinion of the Owner or Member) by the Community Association.

5.2. Owner's and Member's Responsibility. It shall be each Owner's or Member's responsibility to provide insurance for himself to cover the contents and structure of any dwelling unit or other improvements located on his own Lot, his additions thereto, his personal property stored elsewhere within the Property, his personal liability to the extent not covered by the public liability insurance obtained by the Community Association and such other insurance which is not carried by the Community Association as the Owner or Member desires. No Owner or Member shall maintain any insurance, whether on his Lot or otherwise, which would limit or reduce the insurance proceeds payable under the casualty insurance maintained by the Community Association.

5.3. Coverage. The Community Association shall maintain and pay for policies of insurance as follows:

5.3.1. A multi-peril type policy covering the Community Association's interest in all of the Common Areas providing, as a minimum, fire and extended coverage, and all other coverage in kinds and amounts customarily acquired or required for projects similar in construction, location and use, including, but not limited to, perils normally covered by an "all-risk" policy, in an amount determined by the Community Association.

5.3.2. ~~A policy of comprehensive public liability insurance covering the Property in an amount determined by the Community Association but not less than \$1,000,000.00 per occurrence, for personal injury or death and/or property damage. The scope of such coverage shall include all other coverage in the kinds and amounts customarily acquired or required for projects similar in construction, location and use, including, but not limited to, liability non-owned and hired automobiles, liability for property of others, liability arising in connection with the operation~~

maintenance or use of the Common Areas and the portions of the Lots to be maintained by the Community Association hereunder, liability assumed by contract or contractual liability, and liability arising out of any employment contracts of the Community Association.

5.3.3. The Community Association shall, at its election, obtain fidelity bond coverage against dishonest acts on the part of directors, officers, managers, trustees, agents, employees or volunteers responsible for handling funds belonging to or administered by the Community Association. If funds of the Community Association are handled by a management agent, then fidelity bond coverage shall also be obtained for the officers, employees or agents thereof handling or responsible for Community Association funds. The fidelity bond or insurance shall be written to provide protection in an amount not less than the lesser of (a) one-half times the Community Association's estimated annual operating expenses and reserves, (b) a sum equal to three months' aggregate Regular Assessments plus reserves, or (c) the estimated maximum amount of funds, including reserves, in the custody of the Community Association (and its management agent) at any one time. In connection with such coverage, an appropriate endorsement to the policy to cover any person who serves without compensation shall be added if the policy would not otherwise cover volunteers. Such coverage must name the Community Association as an obligee.

5.3.4. A workmen's compensation policy, if necessary to meet the requirements of law.

5.3.5. A policy of "directors and officers" liability insurance.

5.3.6. Such other insurance, in such amounts, as the Community Association shall determine from time to time to be desirable.

5.4. Required Provisions. The insurance policies purchased by the Community Association shall, to the extent available upon terms and conditions deemed reasonable in the Board's discretion, contain the following provisions:

5.4.1. The coverage afforded by such policies shall not be brought into contribution or proration with any insurance which may be purchased by any Owner, Member or First Mortgagee.

5.4.2. The conduct of any one or more Owners or Members shall not constitute grounds for avoiding liability on any such policies.

5.4.3. There shall be no subrogation with respect to the Community Association, its agents or employees, Owners, Members, or members of their households or families and employees, and each Mortgagee of all or any part of the Property or of any Lot, or the policy(s) should name said persons as additional insured; and, each policy must contain a waiver of any defenses based on coinsurance or any invalidity arising from the acts of the insured.

5.4.4. A "severability of interest" endorsement shall be obtained which shall preclude the insurer from denying the claim of an Owner or Member because of the conduct or negligent acts of the Community Association and its agent or other Owners or Members.

5.4.5. Any "no other insurance" clause shall exclude insurance purchased by Owners, Members or First Mortgagees.

5.4.6. Coverage must not be prejudiced by (a) any act or neglect of Owners or Members when such act or neglect is not within the control of the Community Association or (b) any failure of the Community Association to comply with any warranty or condition regarding any portion of the Property over which the Community Association has no control.

5.4.7. Coverage may not be cancelled or substantially modified without at least 30 days' (or such lesser period as the Community Association may reasonably deem appropriate) prior written notice to the Community Association.

5.4.8. Any policy of property insurance which gives the carrier the right to elect to restore damage in lieu of a cash settlement must provide that such election is not exercisable without the prior written approval of the Community Association, or when in conflict with the insurance trust provisions contained herein, or any requirement of law.

5.4.9. A recognition of any insurance trust agreements entered into by the Community Association.

5.4.10. Each hazard insurance policy shall be written by a hazard insurance carrier which has a financial rating as designated in Best's Key Rating Guide of Class A or better, or if such rating service is discontinued, an equivalent rating by a successor thereto or a similar such rating service. Each insurance carrier must be specifically licensed or authorized by law to transact business within the State of Arizona.

5.4.11. Policies shall not be utilized where, under the terms of the carrier's charter, bylaws or policy, contributions may be required from or assessments may be made against Owners, Members or the Community Association or loss payments are contingent upon action by the carrier's board of directors, policyholders or members.

5.5. Non-Liability of Community Association/Board/President

11.2. Subordination of Lien. Any lien which arises against a Lot by reason of the failure or refusal of an Owner or Member to make timely payment of any Assessment shall be subordinate to the lien of a prior recorded First Mortgage on the Lot, acquired in good faith and for value, except to the extent said lien secures the amount of any unpaid Assessment (together with any interest, costs, reasonable attorneys' fees and late charges related thereto) which accrues from and after the date on which a First Mortgagee comes into possession of or acquires title to the Lot, whichever

occurs first, and if any lien for unpaid Assessments which becomes payable after recordation of the First Mortgage and prior to the date on which the first Mortgagee comes into possession of or acquires title to the Lot is not extinguished, to the extent it secures said unpaid Assessments, by the process by which such First Mortgagee acquired title to the Lot, neither such First Mortgagee nor a third party purchaser shall be liable for such unpaid Assessments, and, upon written request to the Community Association by such First Mortgagee or purchaser, the lien shall be released in writing by the Community Association to the extent it secured such unpaid Assessments. Nevertheless, in the event the Owner or Member against whom the original Assessment was made is the purchaser or redemptioner, the lien shall continue in effect and may be enforced by the Community Association, or by the Board, for the respective Lot's Assessment that was due prior to purchase. Any such unpaid Assessment shall continue to exist as the personal obligation of the defaulting Member and the defaulting Owner of the respective Lot to the Community Association, and the Board may use reasonable efforts to collect the same from said Member and/or Owner even after he is no longer a Member of the Community Association or the owner of the Lot. Any unpaid Assessments which are extinguished pursuant to this Section 11.2 may be reallocated by the Community Association among all Owners and Members as a Common Expense. Except for taxes and other public charges which are made prior and superior by applicable law, the lien provided for in Section 4 hereof shall be prior and superior to any and all charges, liens and encumbrances which hereafter in any manner may arise or be imposed on any Lot.

11.3. No Personal Liability. A First Mortgagee shall not in any case or manner be personally liable for the payment of any Assessment or charge, nor the observance or performance of any covenant, restriction, or rule and regulation of the Community Association, or any provision of the Articles or Bylaws, or the Community Design Guidelines, or any management agreements, except for those matters which are enforceable by injunctive or other equitable actions, not requiring the payment of money, except as specifically provided in this Section 11.

11.4. Enforcement After Foreclosure Sale. An action to abate the breach of any of these covenants, conditions, restrictions, and reservations may be brought against purchasers who have acquired title through foreclosure of a Mortgage and the subsequent foreclosure or trustee's sale (or through any equivalent proceedings), and the successors in interest to said purchasers, even though the breach existed prior to the time said purchaser acquired an interest in such Lot.

11.5. Exercise of Owner's Rights. During the pendency of any proceedings to foreclosure, a First Mortgagee (including any period of redemption), or from the time a trustee under a first deed of trust has given notice of sale pursuant to power of sale conferred

under a deed of trust and pursuant to law, the First mortgagee, or a receiver appointed in any such action, may, but need not, exercise any or all of the rights and privileges of the Owner in default including, but not limited to, the right to vote as a member of the Community Association in the place and stead of the defaulting Owner.

11.6. Subject to Declaration. At the time a First Mortgagee comes into possession of or becomes record Owner of a Lot, the First Mortgagee shall be subject to all of the terms and conditions of this Community Declaration including, but not limited to, the obligation to pay all Assessments and charges accruing thereafter, in the same manner as any other Owner.

## 12. EXEMPTION OF DECLARANT FROM RESTRICTIONS.

Notwithstanding anything contained in this Community Declaration to the contrary, none of the restrictions contained in this Community Declaration shall be construed or deemed to limit or prohibit any act of Declarant, their employees, agents and contractors, or parties designated by them in connection with the construction, completion, sale or leasing of the Lots (including any improvements thereon), Common Areas or the Property.

## 13. REMEDIES.

13.1. General Remedies. In the event of a default by an Owner, Member, Occupant or other Person under the provisions of this Community Declaration, the Articles, Bylaws, Community Design Guidelines or Community Association Rules, the Community Association, or its successors or assigns, or its agents, and Declarant shall have each and all of the rights and remedies which may be provided for in this Community Declaration, the Articles, Bylaws, Community Design Guidelines and Community Association Rules, and which may be available at law or equity, and may prosecute any action or other proceedings against such defaulting Owner, Member, Occupant or other Person for an injunction, whether affirmative or negative, or for enforcement or foreclosure of the lien herein provided and the appointment of a receiver for the Lot, or for damages or specific performance, or for judgement for payment of money and collection thereof, or the right to take possession of the Lot and to rent the Lot and apply the rents received to payment of unpaid Assessments and interest accrued thereon, and to sell the same as hereinafter provided in this Section 13.1, or for any combination of remedies or for any other relief, all without notice and without regard to the value of the Lot or the solvency of such Owner or Member. The proceeds of any such rental or sale shall first be paid to discharge court costs, other litigation costs, including, but not limited to, reasonable attorneys' fees, and all other expenses of the proceeding and sale and all such items shall be taxed against the defaulting Owner

Member in a final judgement. Any balance of proceeds after satisfaction of such charges and any unpaid Assessments hereunder or any liens shall be paid to the Owner or Member. Upon the confirmation of the sale, the purchasers shall be entitled to a deed to the Lot and to immediate possession of the Lot and may apply to the court for a writ of restitution for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the judgement shall so provide, that the purchaser shall take the interest in the property sold subject to this Community Declaration.
