

# CRIMSON Mountain

## *What are we doing...*

It is a new year and your Board is busy working to keep our community safe and beautiful. Landscapers are working on cleaning up a lot of the trash and weeds. The Ray Road wall is painted, and we are still working on quotes for redoing the monument area at Ray and 46<sup>th</sup> Place. Here are a few reminders for our residents:

## *2026 Bulk pick-up Schedule*

- Monday, February 16, 2026
- Monday, May 11, 2026
- Monday, August 10, 2026
- Monday, September 16, 2026

**\*Items should never be placed on the street for random people to pick up. It is unsightly and brings unwanted and unnecessary traffic into our safe community.**

## *Parking Reminder*

-Cars should not be parked on the street for more than 48 hours without being moved. This is an area of concern for our residents. It makes it difficult for drivers to navigate the streets, especially when two cars are trying to go down the street and there are cars parked on the streets. The streets are just not wide enough!

-When parking cars on the street, please be mindful of safety. Generally, cars should be parked at least 20 feet from a corner for the safety of traffic and pedestrians.

## *Weeds Reminder*

WEEDS! Those pesky things quickly move in after rains and make our community look unkept. Also, remember, if you live in a house on a corner, it is your responsibility to clean up the area along the side of your house next to the sidewalk. Several homes need to check this area for weeds before violation notices come your way.
