

CRIMSON Mountain

April 2026 eNewsletter

What we are doing...

- Additional paint colors have been approved and will soon be added to our Crimson Mountain webpage for homeowners to view when repainting the exterior of their homes.
- Trees are being scheduled for trimming and thinned out in order to get ahead of monsoon season.
- Please remember to vote for new board members before the deadline of April 14.

Reminders:

- Parking is still an issue. PLEASE be mindful of neighbors. Park at least 20 feet from curb. Cars are not to be parked on the street for longer than 48 hours without being moved. This is very much a concern for the board for the safety and appearance of our community.
- Weeds (always a concern)
- Portable basketball hoops must be stored OUT OF SIGHT when not in use
- Keep an eye on gate slats. During the heat of the summer, these can often begin to need repainting or repair
- Bring trash cans in all the way behind your gate on trash pick-up days

Remaining Scheduled Bulk

Trash Pick-up

- Monday - May 11, 2026
- Monday - August 10, 2026
- Monday - November 16, 2026

**Items should never be placed on the street for random people to pick up. It is unsightly and brings unwanted and unnecessary traffic into our safe community.*
