HAPPY FALL Y'ALL!

It's landscaping time in the neighborhood! Tree trimming is underway & will be completed mid-October. All grass will be reseeded as well. Timing is dependent on the weather but is expected to happen mid-October to November. Once reseeded PLEASE STAY OFF THE GRASS! It is crucial to stay off the turf completely to allow it to grow & continue to be the beautiful place to gather & play. Reminder that no organized practices are allowed in our community & no bikes or E-bikes are to be ridden on the grass. Now is a GREAT time to spruce up your landscaping. Remove, replant, trim & clean up and keep your home & our neighborhood beautiful!

NEW HOA DUES

Just a reminder that HOA dues are increasing to \$395 quarterly in 2026. Please update your automatic payments if applicable.
