

A Year of Investment and Planning. 2025 was a productive year focused on essential community maintenance and planning for the future.

Infrastructure & Road Maintenance:

- **Asphalt Project:** We hired an independent **asphalt engineer** to survey our roads and assist us in identifying a strategic, long-term maintenance plan, as well as assisting us in evaluating bids from the five vendors we've contacted.
 - **Reserve Study:** We are updating our **reserve study** (last completed in 2020) to ensure we properly forecast and fund future major capital expenses.
 - **Google Fiber:** In May 2024, the BOD executed a Right of Entry agreement with Google Fiber. We are on the list for fiber installation when construction begins in south Chandler. A timeline will be shared when available.

- **Open Board Meetings:** Held on the **third Tuesday of the month at 7:00 PM** at Barro's Pizza (Riggs and McQueen). Please *Note: There are no meetings in June, July, or December.*
- **Volunteer:** The BOD encourages you to volunteer your time and talent! Passionate homeowners brought the American flags, holiday wreaths, Little Free Library, Easter Egg hunt, Community Blood Drives, and 5K Fitness Before the Feast to life. Contact Vision to lead your project!
