Upcoming Asphalt Project

PINNACLE PAVING HAS BEEN CONTRACTED TO COMPLETE ROUTINE SEAL COAT MAINTENANCE OF YOUR ASPHALT. PLEASE FOLLOW THE INSTRUCTIONS BELOW FOR A SUCCESSFUL PROJECT. **Non compliance with rules below will result in fines.**

1. Traffic barricades will be put in place each day. All vehicles should be out of the work area prior to 6:00AM.
2. Work will commence at 6:30AM each morning and the asphalt being treated will be closed for approximately 24 hours. Do not park where work will be performed or where it blocks traffic. If you are parked in the area being treated, your car may be towed at your expense.
3. **Auto, foot, golf cart, and bicycle traffic must stay off the new seal coat approximately 24 hours, or until the barricades are removed. Failure to do so may result in damage to cars, shoes, sidewalks, carpets, etc. Pinnacle Paving will not be responsible for any damages.**
3. All vendors (house cleaners, pool cleaners, contractors, maintenance personnel, landscapers, etc.) should be re-scheduled or informed they will need to park outside the barricades and walk.
4. Reschedule any special deliveries, for example, furniture or appliance deliveries.
5. Notify any house guests or renters.
6. Turn off all irrigation systems. Please do not backwash onto streets during this time.
7. Keep children and pets away from the construction for their safety.
8. Don't forget to allow extra time if you need to leave.

We apologize for any inconvenience this may cause and thank you in advance for your assistance with this project. If you have any questions or concerns, please do not hesitate to contact us by phone (480) 759-4945 or via email roveyfarmestates@wearevision.com.
