Becoming a successful HOA board member requires a commitment to the community’s well-being and a sprinkle of legal knowledge.

You bring the commitment, we will bring the legal knowledge – an understanding as to where your documents end and the law begins, best practices to maximize your meetings, options to compel compliance, collect assessments, and options to deal with difficult owners!

*Presented in conjunction with The RealManage Family of Brands (Brown Community Management, RealManage of Arizona, and Vision Community Management).
