A transfer of ownership to a Lot or Parcel may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot or Parcel shall operate to transfer the Membership appurtenant to said Lot or Parcel to the new Owner thereof. Each Purchaser of a Lot or Parcel shall notify the Association of his purchase within ten (10) days after he becomes the Owner of a Lot or Parcel.
- 5.10 Architectural Committee. The Association shall have an Architectural Committee to perform the functions of the Architectural Committee set forth in this Declaration. The Architectural Committee shall be a Committee of the Board. The Architectural Committee shall consist of such number of regular members and alternate members as may be provided for in the Bylaws. So long as the Declarant owns any Lot or Parcel, the Declarant shall have the sole right to appoint and remove the members of the Architectural Committee. At such time as the Declarant no longer owns any Lot or Parcel, the members of the Architectural Committee shall be appointed by the Board. Declarant may at any time voluntarily surrender its right to appoint and remove the members of the Architectural Committee, and in that event the Declarant may require, for so long as the Declarant owns any Lot or Parcel, that specified actions of the Architectural Committee, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective. At any time there is more than one Declarant, any action to appoint or remove a member of the Architectural Committee must be approved by all Declarants. The Architectural Committee may promulgate architectural guidelines, standards and procedures to be used in rendering its decisions. Such guidelines, standards and procedures may include, without limitation, provisions regarding: (i) the size of Residential Units; (ii) architectural design, with particular regard to the harmony of the design with the surrounding structures and typography; (iii) placement of Residential Units and other buildings; (iv) landscaping design, content and conformance with the character of the Property and permitted and prohibited plants; (v) requirements concerning exterior color schemes, exterior finishes and materials; (vi) signage; and (vii) perimeter and screen wall design and appearance. The decision of the Architectural Committee shall be final on all matters submitted to it pursuant to this Declaration. The Architectural Committee may establish a reasonable processing fee to defer the costs of the Association in considering any requests for approvals submitted to the Architectural Committee, which fee shall be paid at the time the request for approval is submitted.
- 5.11 <u>Conveyance or Encumbrance of Common Area.</u> The Common Area shall not be mortgaged, transferred, dedicated or encumbered without the prior written consent or affirmative vote of the Class B member of the Association and the affirmative

vote or written consent of the Owners representing at least two-thirds (2/3) of the votes entitled to be cast by Class A members of the Association.

ARTICLE 6

COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

6.1 Creation of Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned by it, hereby covenants and agrees, and each Owner, other than the Declarant, by becoming the Owner of a Lot, is deemed to covenant and agree, to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each Assessment, together with interest and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them. No Assessments shall be levied against a Parcel.

6.2 Annual Assessments.

6.2.1 In order to provide for the operation and management of the Association and to provide funds for the Association to pay all Common Expenses and to perform its duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves, the Board, for each Assessment Period shall assess against each Lot an Annual Assessment.

6.2.2 The Board shall give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted

for that Assessment Period are, or will, become inadequate to meet all Common Expenses for any reason, including, without limitation, nonpayment of Assessment by Members, it may increase the Annual Assessment for that Assessment Period and the revised Annual Assessment shall commence on the date designated by the Board.

6.2.3 The maximum Annual Assessment for each fiscal year of the Association shall be as follows:

- (i) Until January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum Annual Assessment for each Lot shall be \$360.00.
- (ii) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the Board may, without a vote of the members, increase the maximum Annual Assessment during each fiscal year of the Association by the greater of (a) 5% of the maximum Annual Assessment for the immediately preceding fiscal year or (b) an amount based upon the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) U.S. City Average (1982-84=100), issued by the United States Department of Labor, Bureau of Labor Statistics (the "Consumer Price Index"), which amount shall be computed in the last month of each fiscal year in accordance with the following formula:
 - X = Consumer Price Index for September of the calendar year immediately preceding the year in which the Annual Assessments commenced.
 - Y = Consumer Price Index for September of the year immediately preceding the calendar year for which the maximum Annual Assessment is to be determined.

X multiplied by the maximum Annual Assessment for the then current fiscal year equals the amount by which the maximum

Annual Assessment may be increased.

In the event the Consumer Price Index ceases to be published, then the index which shall be used for computing the increase in the maximum Annual Assessment permitted under this Subsection

shall be the substitute recommended by the United States government for the Consumer Price Index or, in the event no such successor index is recommended by the United States government, the index selected by the Board.

- (iii) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum Annual Assessment may be increased by an amount greater than the maximum increase allowed pursuant to (ii) above, only by a vote of Members entitled to cast at least two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.
- Rate of Assessment. The amount of the Annual Assessment for each Lot other than Lots owned by the Declarant and Developer shall be the amount obtained by dividing the total budget of the Association for the Assessment Period for which the Annual Assessment is being levied by the total number of Lots subject to the Assessment at the time the Annual Assessment is levied by the Board. The Annual Assessment for Lots owned by the Declarant or Developer shall be an amount equal to fifty percent (50%) of the Annual Assessment levied against Lots owned by Persons other than the Declarant or Developer. If a Lot ceases to qualify for the fifty percent (50%) rate of assessment during the period to which an Annual Assessment is attributable, the Annual Assessment shall be prorated between the applicable rates on the basis of the number of days in the Assessment Period that the Lot qualified for each rate.
- as there is a Class B membership in the Association, Declarant and Developer shall pay and contribute to the Association, within thirty (30) days after the end of each fiscal year of the Association, or at such other times as may be requested by the Board, such funds as may be necessary, when added to the Annual Assessments levied by the Association, to pay all Common Expenses of the Association as they become due. The amount which each Declarant and each Developer is obligated to pay under this Section shall be the amount obtained by multiplying the total amount requested by the Association by the number of Lots owned by the Declarant or Developer at the time the Association makes the request for payment and then dividing the result by the total number of Lots owned by all Declarants and all Developers as of the date the payment is requested by the Association.
- which is then subject to assessment, in any Assessment Period, a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an Improvement upon the Common Area, including fixtures and personal property related thereto, provided that any Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

- Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period, and the obligation of the Owners to pay Annual Assessments shall commence upon the conveyance of the first Lot to a Purchaser and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period.
- 6.7 <u>Commencement Date of Assessment Obligation</u>. All Lots described on Exhibit A to this Declaration shall be subject to assessment upon the conveyance of the first Lot to a Purchaser. All Lots annexed pursuant to Section 2.2 of this Declaration shall be subject to assessment upon the effective date of the annexation of the Lots.
- 6.8 Rules Regarding Billing and Collection Procedures. Assessments shall be collected on a quarterly basis or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed until the Member has been given not less than thirty (30) days written notice prior to such foreclosure that the Assessment or any installation thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Lot changes during an Assessment Period but successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners.

6.9 Effect of Nonpayment of Assessments; Remedies of the Association.

6.9.1 Any Assessment, or any installment of an Assessment, not paid within five (5) days after the Assessment, or the installment of the Assessment, first became due shall bear interest from the due date at the rate of twelve percent (12%) per annum or the prevailing VA/FHA interest rate for new home loans, whichever is higher. In addition, the Board of Directors may establish a late fee to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within five days after such payment was due.

6.9.2 The Association shall have a lien on each Lot for: (i) all Assessments levied against the Lot; (ii) all interest, lien fees, late charges and other fees and charges assessed against the Lot or payable by the Owner of the Lot; (iii) all fines levied against the Owner of the Lot or Parcel; (iv) all attorney fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner and any other fees or costs incurred by the Association in attempting to collect Assessments or

other amounts due to the Association by the Owner of a Lot; (v) any amounts payable by a Declarant or a Developer pursuant to Section 6.4 of this Declaration; and (vi) any amounts payable to the Association pursuant to Section 7.3 or 7.4 of this Declaration. The Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option, record a Notice of Lien setting forth the name of the delinquent owner as shown in the records of the Association, the legal description or street address of the Lot-against which the Notice of Lien is recorded and the amount claimed to be past due as of the date of the recording of the Notice, including interest, lien recording fees and reasonable attorneys' fees. Before recording any Notice of Lien against a Lot, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments, together with interest, late charges and reasonable attorneys' fees, if any. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand, but any number of defaults may be included within the single demand. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with recording a Notice of Lien against the Lot.

6.9.3 The Assessment Lien shall have priority over all liens or claims except for: (i) tax liens for real property taxes; (ii) assessments in favor of any municipal or other governmental body; and (iii) the lien of any first mortgage or first deed of trust. Any First Mortgagee or any other Person acquiring title or coming into possession of a Lot or Parcel through foreclosure of the First Mortgage, purchase at a foreclosure sale or trustee sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure shall acquire title free and clear of any claims for unpaid assessments and charges against the Lot or Parcel which became payable prior to the acquisition of such Lot or Parcel by the First Mortgagee or other Person. Any Assessments and charges against the Lot or Parcel which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of the Lot or Parcel.

6.9.4 The Association shall not be obligated to release the Assessment-Lien-until-all-delinquent-Assessments, interest, lien fees, fines, reasonable attorneys' fees, court costs, collection costs and all other sums payable to the Association by the Owner of the Lot or Parcel have been paid in full.

6.9.5 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to, (i) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien securing the delinquent Assessments or (ii) bringing an action to foreclose the Assessment Lien against the Lot or Parcel in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots or Parcels purchased at such sale.

- request by a Member or any other Person, the Association, within a reasonable period of time thereafter, shall issue to such Member or other Person a written certificate stating that all Assessments, interest, and other fees and charges have been paid with respect to any specified Lot as of the date of such certificate, or if all Assessments have not been paid, the amount of such Assessments, interest, fees and charges due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matters therein stated as against any bona fide Purchaser of, or lender on, the Lot in question.
- 6.11 Purposes for which Association's Funds May Be Used. Association shall apply all funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of the Project and the Owners and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Project, which may be necessary, desirable or beneficial to the general common interests of the Project, the Owners and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit: social interaction among Members and Residents, maintenance of landscaping on Common Areas and public right-ofway and drainage areas within the Project, recreation, liability insurance, communications, ownership and operation of vehicle storage areas, education, transportation, health, utilities, public services, safety and indemnification of officers and directors of the Association. The Association may also expend its funds under the laws of the State of Arizona or such municipality's charter.
- 6.12 Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.
- 6.13 Working Capital Fund. To insure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each Purchaser of a Lot from the Declarant or the Developer shall pay to the Association immediately upon becoming the Owner of the Lot a sum equal to one-sixth (1/6th) of the current Annual Assessment for the Lot. Funds paid to the Association pursuant to this Section may be used by the Association for payment of operating expenses or any other
