The Board shall have authority to lease, convey easements or grant concessions consistent with the overall character and use of the Property with respect to parts of the Common Elements and to change the character, description and use thereof, subject to the provisions of this Declaration, and Articles and the Bylaws. Any funds received by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe. Notwithstanding any other provision hereof to the contrary, Declarant shall be entitled to non-exclusive access to and occupancy of all or any portion of the Common Elements until such time as all Units have been conveyed to Owners by Declarant.

6. Guest Parking Spaces. Guest Parking Spaces shall be part of the Common Elements and the Board shall have full authority to establish, operate, and manage the Guest Parking Spaces for and on behalf of all Owners, and the use thereof shall be subject to such rules and regulations as may be imposed by the Board.

If any Owner shall fail or refuse to make any payment for Common Expenses when due, the amount thereof, together with interest thereon at the rate of (6%) per annum from the due date of such payment, costs and reasonable attorneys' fees, shall constitute a lien on such Owner's Unit and on any rents or proceeds therefrom; provided, however, that such lien shall be subordinate to the lien of a recorded First Mortgage on the applicable Unit; acquired in good faith and for value, except for the amount of the unpaid

Common Expenses and other charges which accrue from and after the date on which the First Mortgagee acquires title to or comes into possession of the applicable Unit, and any lien for unpaid assessments and other charges prior to such date shall upon such date automatically terminate and be extinguished and such First Mortgagee shall not be liable for such unpaid assessments and other charges, provided, however, that the extinguishment of such lien shall not in any way affect the personal obligation of the Owner of the Unit at the time the payment giving rise to such lien became due. Any person acquiring an interest in any Unit shall upon giving written notice to the Board be entitled to a statement from the Association setting forth the amount of unpaid assessments and other charges, if any, and such person shall not be liable for, nor shall any lien attach to such Unit in excess of, the amount set forth in such statement, except for assessments and other charges which accrue or become due after the date thereof. The lien provided for in this paragraph may be foreclosed by the Association in any manner provided or permitted for the foreclosure of real property mortgages or deeds of trust in the State of Arizona. Until commencement of the first fiscal year of the Association immediately following the conveyance of the first Unit to an Owner, the maximum monthly payment for such Common Expenses payable by each Owner shall be Sixty Five Dollars (\$65.00) per Unit. At the commencement of the first fiscal year immediately following the conveyance of the first Unit to an Owner and at the commencement of each and every fiscal year thereafter, the Board shall ascertain an index number for the U.S. Cities All Items Average (1967-100) set forth in the Consumer Price Index for All Urban Consumers of the Bureau of Labor Statistics, United States Department of Labor, for the most recent month for which such Index has been published (represented by the letter "C" in the formula hereinafter set forth) and the maximum monthly payment for such Common Expenses

If the Consumer Price Index for All Urban Consumers shall no longer be published, then another index published by the Bureau of Labor Statistics or any other federal agency shall be substituted by the Board. Notwithstanding anything contained herein to the contrary, from and after the commencement of the first fiscal year immediately following the conveyance of the first Unit to an Owner, the maximum monthly assessment may be increased above that established by said Consumer Price Index formula by a vote of the Owners of Units to which more than two thirds (2/3) of the Common Elements is appurtenant.

8. Mortgages. Each Owner shall have the right, subject to the provisions hereof, to make separate Mortgages of his Unit. No Owner shall have the right or authority to make or create or cause to be made or created any Mortgage, or other lien or security interest, on or affecting the Property or any part thereof, except to the extent of his Unit, the interest in the Common Elements appurtenant to such Unit.

against the Association or other Owners and of the Association against Owners without right of subrogation. Any insurance policy may contain such deductible provisions as the Association deems consistent with good business practice.

Certificates of insurance coverage or copies of insurance policies shall be issued to and at the expense of each Owner and each Mortgagee who makes, or on whose behalf written request is made to the Association for any such certificate or copy.

(2) "Substantial Condemnation" shall exist whenever the Board determines that a complete taking of the Property has occurred or that a taking of part of the Property by condemnation or eminent domain or by grant or conveyance in lieu of condemnation or eminent domain has occurred, and that the excess of the estimated costs of Restoration over Available Funds is fifty percent (50%) or more of the estimated Restored Value of the Property. "Partial Condemnation" shall mean any other such taking by eminent domain or by grant or conveyance in lieu of eminent domain.

(3) "Substantial Obsolescence" shall exist whenever the Owners of Units to which seventy-five percent (75%) of the undivided interest in the Common Elements is appurtenant determine by vote that the Property or any part thereof has reached an undesirable state of obsolescence or disrepair. "Partial Obsolescence" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(4) "Restoration", in the case of any casualty, damage or destruction, shall mean restoration of the Property to a condition the same or substantially the same as the same as

(5) "Restored Value of the Property" shall mean the value of the Property after restoration as determined by the Board.

(6) "Available Funds" shall mean any proceeds of insurance or condemnation awards or payments in lieu of condemnation received by the Association and any uncommitted reserves of the Association other than amounts derived through assessments or special assessments. Available Funds shall not include that portion of insurance proceeds or condemnation awards or payments in lieu of condemnation legally required to be paid to any party other than the Association, including a Mortgagee of all or any part of the Property or of any Unit, or that portion of any condemnation award or payment in lieu of condemnation paid to the Owner of a Unit for the condemnation or taking of that Owner's individual air space.

10.2 Restoration of the Property. Restoration of the Property shall be undertaken by the Association without a vote of the Owners in the event of Partial Destruction, Partial Condemnation or Partial Obsolescence but shall be undertaken in the event of Substantial Destruction, Substantial Condemnation or Substantial Obsolescence only with the consent of the Owners of Units to which seventy-five percent (75%) of the undivided interest in the Common Elements are appurtenant and the unanimous consent of all Institutional Holders.

10.3 Sale of the Property. In the event of Substantial Destruction, Substantial Condemnation or Substantial Obsolescence, the Property shall be sold unless consent to Restoration has been obtained from the Owners of Units to which seventy-five (75%) percent of the undivided interest in the Common Elements is appurtenant and all Institutional Holders who have notified the Association in writing of their desire to consent to any restoration and who have informed the Association of an address to which notices may be sent in the manner provided in paragraph 26 hereof. In the event of such sale, condominium ownership under this Declaration shall terminate and the proceeds of sale and any insurance proceeds, condemnation awards or payments in

lieu of condemnation shall be distributed by the Association to each Owner in accordance with such Owner's individual interest in the Common Element. Such payments shall be made to Owners or, as to Units which are subject to a Mortgage of record at the time of such payment, jointly to such Owner and such Mortgagee as their interests may appear.

10.4 Authority of Association to Restore or Sell. The Association is hereby irrevocably appointed as attorney-in-fact, and as such attorney-in-fact for each Owner, shall have full power and authority to restore or to sell the Property and each Unit whenever Restoration or sale, as the case may be, is undertaken as hereinabove provided. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

10.5 Special Assessments for Restoration. Whenever Restoration is to be undertaken, the Association may levy and collect assessments from each Owner in proportion to such Owner's undivided interest in the Common Elements, payable over such period as the Association may determine, to cover the costs and expenses of Restoration to the extent not covered by Available Funds. Such special assessments together with interest at the rate of 12 percent per annum from the date such special assessments became due, costs and reasonable attorneys' fees, shall be secured by a lien on the Unit of each such Owner in the same manner as the lien provided for in paragraph 7 hereof. Notwithstanding any other provisions in this Declaration, in the case of Substantial Obsolescence, any such special assessment shall not be a personal obligation of any such Owner who did not vote in favor of or consent to Restoration but, if not paid, may be recovered only by foreclosure of the lien against the Unit of such Owner.

10.6 Receipt and Application of Condemnation Funds.

Except in a case where a Mortgagee or any other person shall have the legal right to receive condemnation awards or payment in lieu of condemnation or eminent domain directly, all compensation, damages or other proceeds constituting awards for condemnation or eminent domain or payments in lieu of condemnation or eminent domain shall be paid to, or if received by the Association shall be turned over promptly, in the identical form received without commingling with any asset or property of the Association, to an independent financial institution or title company selected by the Association authorized to act as escrow agent for the benefit of the Association, the Declarant, all Owners and all Mortgagees of any Unit or all or any part of the Property as their respective interest may appear. The Association shall have the right, acting alone, to adjust or settle any condemnation award or payment in lieu of condemnation or eminent domain payable to it. Such funds shall be disbursed by said escrow agent in accordance with the following priorities subject to such evidence of application as such escrow agent shall require. The amount thereof equitably allocable as compensation for the taking of or injury to the individual air space of a particular Unit or to improvements of an Owner therein shall be apportioned and paid to the Owner of such Unit or, as to Units which are subject to a Mortgage of record at the time of such payment, jointly to such Owner and such Mortgagee as their interests may appear. The balance of such funds shall be applied to costs and expenses of Restoration, if undertaken, and, to the extent not so applied, shall be allocated as follows: first, any portion of such funds allocable to the taking of or injury to the Common Elements shall be apportioned among all Owners of the Common Elements in proportion to their respective undivided interest in the Common Elements; secondly, any portion of such funds received or awarded for severance damages shall be

apportioned among Owners of Units whose individual air space was not taken or injured in proportion to their respective undivided interests in the Common Elements; thirdly, any portion of such funds received or awarded for consequential damages or for other purposes shall be apportioned as the Association determines to be equitable under the circumstances. The lien priority of any First Mortgagee shall not be disturbed by any condemnation proceeding and shall continue in the proceeds of any condemnation award attributable to the mortgaged Unit in accordance with the provisions of this paragraph.

10.7 Reorganization in the Event of Condemnation.

In the event all of the individual air space within a Unit is taken by condemnation or eminent domain, such Unit shall, upon payment of compensation as hereinabove provided, cease to be a part of the Property, the Owner thereof shall cease to be a member of the Association, and the undivided interest in Common Elements appurtenant to that Unit shall automatically become vested in the Owners of the remaining Units in proportion to their respective undivided interest in the Common Elements.

11. Rights of Owners in any Distributions. In the event that any Owner or Mortgagee is entitled to receive any distribution of money, property or other things from the Association for any reason, including without limitation the sale or other disposition of all or any part of the Common Elements or the cessation or termination for any reason of the horizontal property regime created hereby, such distribution shall be in proportion to the interest in the Common Elements appurtenant to the Unit or Units owned by such Owner or Mortgagee, except as provided in paragraphs 9 or 10 hereof.

12. Maintenance, Repairs and Replacements; Right of Access.

Each Owner shall furnish and be responsible for, at his own expense, all of the maintenance, repairs and replacements within his own Unit and of any portion of the airconditioning and heating system which exclusively serves his Unit; and each Owner shall

keep the patio, balcony, garage and storage areas to his Unit in a neat, clean and attractive condition. If, due to the willful or negligent act of an Owner or a member of his family or guest or other occupant or visitor of such Owner, or other person for whom such Owner may be responsible, damage shall be caused to the Common Elements or to a Unit or Units owned by others or maintenance, repairs or replacements shall be required which would otherwise be a Common Expense, then such Owner if liable for such damage under local law, upon receipt from the Board shall pay for such damage and for such maintenance, repairs or replacements as may be determined by the Board. The amount payable for such maintenance, repairs or replacements, together with interest at the rate of 12 per cent from the date such amount is due, costs and attorneys' fees, shall be secured by a lien against the Unit of such Owner as provided in paragraph 7 hereof. An authorized representative of the Board, or of the manager or managing agent of the Building, and all contractors and repairmen employed or engaged by the Board or such manager or managing agent, shall be entitled to access at any time to each of the Units as may be required in connection with maintenance, repairs or replacements of or to the Common Elements or any equipment, facilities or fixtures affecting or serving other Units and the Common Elements.

13. Alterations, Additions or Improvements. No alterations of any Common Elements or any additions or improvements thereto or any alterations, additions or improvements to the patios or balconies associated with any Unit shall be made by any Owner, without the prior written approval of the Board. Any Owner may make nonstructural alterations, additions or improvements within the interior of his Unit (but excluding for purposes of the authority herein granted any patio or balcony) without the prior written approval of the Board, but such Owner shall be responsible for any damage to any other Units, the Common Elements or the Property which may result from such alteration, addition or improvement. In addition to the required approval of the Board, there shall be no structural

alterations or additions to any Building without the prior approval of a majority of the Owners given at a regular or special meeting of the members of the Association and the prior approval of all First Mortgagees. Unless otherwise determined at any such meeting, the cost of such alterations or additions shall be paid by means of a special assessment levied and collected from each Owner in proportion to such Owner's undivided interests in the Common Elements. Such special assessment together with interest at the rate of 12 percent

from the date such special assessment became due, costs and reasonable attorneys' fees, shall be secured by a lien against each Unit as provided in paragraph 7 hereof.

14. Decorating. Each Owner, at his own expense, shall furnish and be responsible for all of the decorating within his own Unit (but any furnishing or decorating of any patio or balcony shall be subject to the provisions of paragraph 18 hereof) from time to time, including painting, wallpapering, paneling, floor covering, draperies, window shades, curtains, lamps and other furniture and interior decorating. Each Owner shall be entitled to the exclusive use of the interior unfurnished surfaces of the walls, floors and ceiling within his Unit, and each Owner shall have the right to decorate such surfaces from time to time as he may see fit at his sole expense. However, such Owner shall maintain such surfaces in good condition, and all such use, maintenance and decoration shall be subject to regulation by the Board. Decorating and maintenance of the Common Elements and any redecorating of Units to the extent made necessary by any damage caused by maintenance, repair or restoration work by the Association on the Common Elements shall be furnished by the Association and paid for as part of the Common Expenses.

Encroachments. If any portion of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually

encroach upon any portion of the Common Elements, or if any Unit or entryway providing ingress and egress thereto or therefrom shall actually encroach upon another Unit or entryway, as the Common Elements and the Units are shown on the Plat attached hereto as Exhibit "B" whether such encroachment results from the initial construction or from subsequent repair, reconstruction, settlement or shifting, there shall be deemed to be mutual easements in favor of the Owners of the Common Elements and the respective Owners involved to the extent of such encroachment so long as the same shall exist; provided, however, that no such easement shall result from any alteration, addition or improvement made by an Owner, except Declarant, without the prior written approval of the Board. The Association shall at all times have the right to maintain any Common Elements now existing or hereafter constructed, regardless of any encroachment now or hereafter existing of any such Common Elements on any Unit.

16. Purchase of Unit by Association. Upon the consent or approval of a majority of Owners present and voting at a general or special meeting of the members of the Association or in such other manner as may be deemed by the Board to be necessary or expedient, the Board shall have the power and authority to bid for and purchase any Unit at a sale pursuant to a mortgage foreclosure, trustee's sale under a trust deed, or a foreclosure of any lien for assessments provided for in this Declaration, or at a sale pursuant to an order or direction of a court, or other involuntary sale and the Board shall have the power and authority to finance such purchase of a Unit by Mortgage, special assessment or any other financing arrangement that the Board may deem necessary or expedient.

17. Use and Occupancy Restrictions. No part of the Property shall be used other than as a dwelling and the related common purposes for which the Property was designed, except that Declarant shall have the right to maintain sales and any other

offices, model units, and signs on the Property, together with rights of ingress and egress therefrom, and to do such other acts and maintain such other facilities as are incidental to the development and sale of the Units now or hereafter existing in the horizontal property regime created hereby. Without limiting the foregoing, no Owner shall permit his Unit to be used for transient or hotel purposes or shall enter into any Lease for less than the entire Unit. Any Lease for any Unit shall be in writing, shall in all respects be subject to and in compliance with provisions of this Declaration, the Articles and Bylaws and shall expressly provide that a violation of any such provisions shall be a default under such Lease, and a copy of any such Lease shall be delivered to the Association prior to the commencement of the term of such Lease. Each Unit or any two or more adjoining Units used together shall be used as a single family residence or for such other purposes as are permitted by this Declaration and for no other purpose. That part of the Common Elements separating any two or more adjoining Units under common ownership and used together for a proper purpose as aforesaid may be altered to afford ingress and egress to and from such adjoining Units at the sole expense of the Owner thereof if and only if specific plans are submitted to and prior approval is obtained from the Board. The foregoing restrictions shall not, however, be construed in any manner as to prohibit an Owner from maintaining his personal and/or a reasonable professional library therein and keeping his personal business records therein.

The Common Elements shall be used only for access, ingress and egress to and from the respective Units by the Owners thereof, their agents, servants, tenants, family members, licensees and invitees and for such other purposes as are incidental to the residential use of the Units. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or

unreasonably interfered with by an owner.

No Owner shall keep or maintain any thing or shall suffer any condition to exist in his Unit or cause any other condition on the Property or the Common Elements which materially impairs any easement or right of any other Owner or otherwise materially impairs or interferes with the use and enjoyment by other Owners of their Units and the Common Elements. No Owner shall keep or permit any pets to be kept in a Unit other than tropical fish and small animals not exceeding a mature weight of five (5) pounds.

If the Board determines that any motor vehicle is creating loud or annoying noises by virtue of its operation within the Property, or that the parking or storage of any vehicle or trailer on the Property is unsightly or detracts from the overall character of the Property, such determination shall be conclusive and final that the operation or storage of such vehicle is a nuisance, and said operation, upon notice by the Board to the owner or operator thereof, shall be prohibited within the Property.

No structure of a temporary character shall be permitted on the Property or the Common Elements, and no tent, shack, barn or trailer shall be permitted on the Property or is located thereon by or with prior written consent of the Board.

No barbecue or other incendiary and/or smoke producing cooking devices shall be used or operated on the balcony or patio adjacent to any Unit.

No sign of any nature whatsoever, shall be displayed or placed on any Unit, in any window or on any part of the Property or the Common Elements. No "For Sale" or "For Rent" signs of any nature whatsoever shall be permitted on any part of the Property, and no other signs or graphics shall be permitted on any patio or balcony or on any of the Common Elements without the prior written consent of the Board. A master "For Sale" sign may be placed on the Property by the Board of Directors

with a telephone number to call for information. The provisions of this paragraph relating to signs shall not apply to the Declarant until the last Unit owned by Declarant has been sold.

Except as initially installed by Declarant, no spotlights, flood lights or other high intensity lighting shall be placed or utilized upon any building, structure, balcony or patio which in any manner will allow light to be directed or reflected on the Common Elements or any part thereof.

No window air conditioners or portable units of any kind shall be installed in any Building.

All draperies which are visible from the exterior of any Building shall be lined with an opaque white material and no individual window treatments which are visible from the exterior of any Building, including without limitation, shutters, shade screens, mirrors, and stained glass, shall be permitted without the prior written consent of the Board. Enclosures, shades, screens or other items affecting the exterior appearance of any patio or balcony shall not be permitted without the prior written consent of the Board of Directors and shall be subject at all times to the rules and regulations of the Board and to the provisions of paragraph 18 hereof.

No radio, television or other antennas of any kind or nature shall be placed or maintained upon any Unit or any other portion of the Property, ^{except Dishes} except that Declarant shall have the right to install a master antenna or antennas and to provide access to such antenna to the Units.

No clotheslines shall be installed on any balcony or patio and no Owner shall permit any personal property to be stored on any patio or balcony which is visible for the exterior of any Building.

Without limiting the foregoing, each Owner shall maintain and keep his Unit at all times in a safe, sound and sanitary condition and shall repair and correct any condition or refrain from any activity which might interfere with the reasonable

enjoyment by other Owners of their respective Units or of the Common Elements. Each Owner shall not place or permit any personal property, garbage, debris or refuse to be placed or to accumulate in the corridors, walkways and hallways adjacent to any Unit.

Pursuant to the right of entry provided for in paragraph 20 hercof, the Board or its authorized agents may enter any Unit in which a violation of these restrictions exists and may correct such violation at the expense of the Owner of such Unit.

Such expenses together with interest at the rate of 12 percent from the date such expenses were incurred, costs and reasonable attorneys' fees shall be secured by a lien against such Unit as provided in paragraph 7 hercof.

The Association may modify the foregoing restrictions or otherwise restrict and regulate the use and occupancy of the Property and the Common Elements by reasonable rules and regulations of general application adopted by the Board from time to time.

16. Architectural Control. No building, fence, wall, antenna, tower, awning, sign or other structure of any kind or character shall be constructed, erected, placed or maintained upon the Property, nor shall any exterior addition, change or alteration be made thereto or therein, including without limitation to any exterior wall or balcony, whether or not part of any Unit, which is visible from the exterior of the Building, and no additions to, changes in, or alterations of landscaping, grade or drainage shall be made, until plans and specifications showing the nature, kind, color, shape, height, materials, location and other physical attributes of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures

and topography by the Board or by an architectural committee appointed by the Board. In the event the Board, or such committee, if one has been appointed, fails to approve or disapprove such proposal at its next regular meeting occurring more than thirty (30) days after proper plans and specifications have been received by it, such approval will not be required, and this paragraph will be deemed to have been fully complied with. The restrictions contained in this paragraph are subordinate to section 13 of this Declaration.

19. Exemption of Declarant from Restrictions. Notwithstanding any thing contained in this Declaration to the contrary, none of the restrictions contained in this Declaration shall be construed or deemed to limit or prohibit any act of Declarant, its employees, agents, and subcontractors or parties designated by it in connection with the construction, completion, sale or leasing of the Units.

20. Entry by Board or its Agent. The Board or its authorized agents may enter any Unit during reasonable hours and upon reasonable notice, when any (2) two members of the Board deem it necessary or advisable for the enforcement of any restriction hereinabove set forth, to effect emergency or other necessary repairs or otherwise for the protection and preservation of that Unit or other Units. In addition, the Board or its authorized agents may enter any Unit at any time when any member of the Board or its authorized agent believes in his discretion that an emergency exists and that such entry is necessary in order to protect any person or property in such Unit or adjoining Units or for other good cause. If it becomes necessary to break into a Unit because no key or means of access was provided by the Occupant or Owner, as required herein, the Association, its directors, officers and agents shall not be liable for any damage done to the Unit as a result of the exercise of this right of entry. The party exercising this right of entry shall see that reasonable measures are taken to secure the Unit until either the Occupant or Owner shall be

notified that the Unit has been entered. Each Occupant or Owner shall either (1) leave a key with the manager of the Association or (2) leave a key with another Occupant or Owner and inform the manager in writing of the name of the Occupant or Owner with whom such key has been left. In the event that the Occupant or Owner with whom such key has been left is not available at a time when it is necessary to exercise this right of entry, the Unit may be forcibly entered pursuant to the conditions stated above.

21. Roof Leaks and Repairs. The Association shall repair promptly all leaks or other damage to the roofs of any of the Buildings of which the Association has notice in writing, provided, however, that the cost of repairing leaks or damage due to the willful or negligent act of an Owner or member of his family or guest or other occupant or visitor of such Owner or other person for whom such Owner may be responsible shall be the obligation of such Owner as provided in paragraph 12 hereof.

22. Public Dedication. Nothing contained in this Declaration shall be deemed to constitute a dedication for public use or to create any rights in the general public. Nothing contained in this Declaration shall be construed as creating an obligation on the part of the City of Phoenix or any other governmental authority having jurisdiction over the Property and the Common Elements to maintain, repair or replace any portion of the Property, the Common Elements or the appurtenances thereto.

23. Copy of Declaration to New Members. The Board shall give each new Owner of a Unit a copy of this Declaration and any and all amendments hereto within sixty (60) days notice of the conveyance of a Unit to such new Owner. However, the failure of the Board to provide such copy shall not relieve the new Owner from complying with this Declaration nor waive any of the rights, conditions or restrictions stated herein or create any liability on the part of the Association, the Board or their agents.

24. Remedies. In the event that any Owner shall fail to comply with the provisions of the Act, this Declaration, the Articles, the By-laws, or the rules and regulations of the Association, the Association shall have each and all of the rights and remedies provided for in the Act, this Declaration, the Articles, the By-laws or said rules and regulations, or which may be available at law or in equity and may prosecute any action or other proceedings against such Owner for enforcement of such provisions or foreclosure of its lien and the appointment of a receiver for the Unit, or damages, or injunctive relief, or specific performance, or judgment for payment of money and collection thereof, or the right to take possession of the Unit and to rent said Unit and apply the rents received to payment of any amounts due and interest thereon, or to sell the same as hereinafter provided, or any combination of such remedies or any other and further relief which may be available at law or in equity, all without notice and without regard to the value of such Unit or the solvency of such Owner. The proceeds of any rental or sale shall first be applied to discharge court costs, other litigation costs, including without limitation reasonable attorneys' fees, and all other expenses of the proceeding and sale. The remainder of such proceeds shall be applied first to the payment of any unpaid assessments or other charges and the satisfaction of any other damages, and any balance shall be held by the Association for the payment of any future assessments or other charges. Upon the confirmation of the sale, the purchaser of such Unit shall be entitled to a deed to the Unit and to immediate possession of the Unit and may apply to the court for a writ of possession for the purpose of acquiring such possession. The purchaser at any such sale shall take the Unit sold subject to this Declaration. All expenses of the Association in connection with any such action or proceeding, including expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of 12 percent from the date incurred, costs and reasonable

attorneys' fees, until paid, shall be secured by a lien upon the Unit of such defaulting Owner as provided in paragraph 7 hereof. In the event of any such breach by any Owner, the Association shall also have the authority, with or without legal proceedings and with or without notice to such Owner, to correct such default and to do whatever may be necessary for such purpose, and all expenses in connection therewith together with interest at the rate of 12% per annum and reasonable attorneys' fees shall be secured by a lien upon the Unit of such Owner as provided in paragraph 7 hereof. Any and all rights and remedies of the Association may be exercised at any time and from time to time, cumulatively or otherwise.

Notwithstanding any provision of this Declaration to the contrary, any breach of any of the covenants, conditions, restrictions, reservations and servitudes provided for in this Declaration, or any right of reentry by reason thereof, shall not defeat or adversely affect the lien and/or rights of any Mortgagee except as herein expressly provided, each and all of such covenants, conditions, restrictions, reservations and servitudes shall be binding upon and effective against any lessee under any Lease or against any Owner of any Unit whose title thereto is acquired by foreclosure, trustee's sale, deed in lieu of foreclosure or otherwise.

24.1 Rights of Action. The Owners Association and any aggrieved unit owner should be granted a Right of Action against unit owners for failure to comply with the provisions of the declaration, By-laws, or equivalent documents, or with decisions of the Owners Association which are made pursuant to authority granted the Owners Association in such documents. Unit owners should have similar Rights of Action against the Owners Association.

25. Amendment. The provisions of this Declaration may be changed, modified or amended by an instrument in writing setting forth such change, modification or amendment, signed by Owners of Units to which not less than 90 percent of the undivided ownership of the Common Elements is appurtenant and acknowledged during the first 20 years, and 75 percent of the ownership there after provided, however, that 75 percent of all Institutional Holders and, so long as any Class B membership remains outstanding, the Veterans Administration, shall have consented in writing to any such change, modification or amendment.

Notwithstanding the provisions of the foregoing paragraph,

if the Act, this Declaration, the Articles or the Bylaws require the consent or agreement of all of the Owners or the Owners of Units to which a specified percentage of the undivided interest in the Common Elements exceeding two thirds (2/3) is appurtenant and/or any other persons having any interest in the Property for any such amendment or for any action specified in the Act or this Declaration, then any instrument so amending this Declaration or any provision hereof or providing for such action shall be signed by the Owners of not less than such specified percentage. Any such change, modification or amendment accomplished under any of the provisions of this paragraph 25 shall be effective upon recording of the instrument providing therefor signed and acknowledged as provided therein.

26. Notices. Notices provided for in the Act, this Declaration, the Articles or the Bylaws shall be in writing and shall be mailed postage prepaid if to the Association or the Board addressed to the address to which payments of assessments are then sent and if to an Owner addressed to his Unit. The Association or the Board may designate a different address or addresses to which notices shall be sent from time to time by giving written notice of such change of address to all Owners. Any Owner may also designate a different address or addresses to which notices shall be sent by giving written notice of his change of address to the Association. Notices shall be deemed delivered five (5) days after being deposited properly addressed in the United States mail, postage prepaid, by registered or certified mail or when delivered in person.

Upon written request to the Board, which written request specifies an address to which notices may be sent, any Mortgagee shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners of the Unit subject to the Mortgage held by such Mortgagee.

26. Severability. If any provision of this Declaration,

the Articles, the Bylaws or the rules and regulations of the Association, or any section, clause, sentence, phrase or word, or the application thereof in any circumstance, is held invalid by a court of competent jurisdiction, the validity of the remainder of this Declaration, the Articles, the Bylaws or the rules and regulations of the Association, and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Declaration, the Articles, the Bylaws or the rules and regulations shall remain in full force and effect as if such invalid part were never included therein, and such invalid part shall be promptly amended as herein provided or reformed by such court so as to implement the intent thereof to the maximum extent permitted by law.

28. Perpetuities and Restraints on Alienation. If any of the easements, privileges, covenants, interests or rights created by this Declaration would otherwise be unlawful, void or voidable for the violation of the rule against perpetuities, then such provision shall continue until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of Arizona, Bruce E. Babbitt.

29. Rights and Obligations. Each grantee of Declarant, by the acceptance of a deed of conveyance, each purchaser under any agreement of sale within the meaning of A.R.S. 33-741, by execution of such agreement for sale and each Mortgagee by the acceptance of any instrument conveying any interest in the Property as security for the performance of an obligation, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights, and powers created or reserved by this Declaration. All rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed, shall be deemed and taken to be covenants running with the land and equitable servitudes and shall be binding upon and shall inure to the benefit of any grantee, purchaser or any person having at any time any interest estate in the Property or the Common Elements in like manner as

though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance, purchase contract or other instrument of transfer, and each such grantee shall be entitled to bring, and shall be subject to, an action for the recovery of damages, or for injunctive relief, or both, resulting from any breach of any such provisions.

30. Performance or Relief. After the date hereof, any person who acquires any interest or estate in all or any part of the Property, other than in connection with an assignment by Declarant of all or substantially all of its rights under this Declaration (including a pledge or assignment by Declarant to any lender as security), agrees by virtue of and upon the acquisition of such interest or estate that said acquiring person shall not look to Declarant but shall look only to the other property Owners or other persons hereafter acquiring an interest or estate in said Property for any performance or enforcement of or relief from any violation of any of the covenants, conditions and restrictions contained herein.

31. Utility Easements. Notwithstanding any other provisions hereof, there is hereby created a blanket non-exclusive easement upon, across, over and under the Common Elements for ingress, egress, installation, replacing, repairing and maintaining all utility and service lines and systems, including by way of illustration, but not of limitation, water, sewer, gas, telephone, electricity, television cable and communication lines and systems. By virtue of this easement, it shall be expressly permissible for the providing utility or service company to install and maintain facilities and equipment on the Common Elements and to affix and maintain wires, circuits and conduits on, in and under the roofs and exterior walls of the Buildings; provided, that no such utility and service line or system may be installed or relocated on said Property except as initially

planned and approved by Declarant and thereafter approved by Declarant or by the Board. This easement shall in no way affect any other previously recorded easements on the Property.

32. Protection for Institutional Holders. Unless seventy-five (75%) percent of all Institutional Holders have given their prior written approval, the Association shall not be entitled to:

a. Change the pro rata interest or obligations of any Unit for the purpose of levying assessments and charges and determining shares of the Common Elements and proceeds to be distributed among the Owners;

b. Partition or subdivide any Unit or the Common Elements;

c. By act or omission seek to rescind or terminate the horizontal property regime created hereby, except as provided by law in the case of substantial loss to the Units and the Common Elements or of a taking by condemnation or eminent domain or in the case of substantial obsolescence;

d. Amend the By-laws or this Declaration.

Any Institutional Holder who has notified the Association in writing of an address to which notices may be sent in the manner provided in paragraph 26 hereof shall be entitled to written notification from the Association of any default by the Mortgagor of such Unit in the performance of any of such Mortgagor's obligations under this Declaration which is not cured with thirty (30) days. All Institutional Holders who have notified the Association of an address to which notices may be sent in the manner provided in paragraph 26 hereof shall be entitled to written notification by the Association upon the commencement of any eminent domain or condemnation proceedings against all or any part of the Property or of substantial damage to or

destruction of any part of the Property. Upon written request, all First Mortgagees shall have the right (i) to examine all books and records of the Association during normal business hours; and (ii) to receive an audited financial statement of the Association as soon as available and in any event within ninety (90) days following the end of any fiscal year of the Association; (iii) to receive written notice of all meetings of the Unit Owners and to designate a representative to attend all such meetings.

33. Professional Management Agreement. Any Agreement for professional management of the Property and the Common Elements or any contract providing for services to be performed by the Declarant for the Association shall provide for termination by either party with or without cause and without payment of a termination fee on thirty (30) days written notice, and no such contract or agreement shall be of a duration in excess of one (1) year, renewable by agreement of the parties for successive one (1) year periods.

34. Waiver. Any right or remedy provided for in this Declaration shall not be deemed to have been waived by any act or omission, including without limitation any acceptance of payment or partial performance or any forbearance, except by an instrument in writing specifying such right or remedy and executed by the person against whom enforcement of such waiver is sought.

IN WITNESS WHEREOF, Longview Development Corp. has executed this instrument as of this 11th day of Feb. 1982.
