## WATER WORKS CONDOMINIUM ASSOCIATION APPLICATION FOR DESIGN REVIEW

All applications for changes to the exterior of your residence must be submitted to the Water Works Condominium Association's Architectural Committee/Board of Directors. The Water Works Condominium Association's Covenants, Conditions and Restrictions (CC&R's) require that a homeowner obtain the prior written approval for any exterior alteration or addition to property within the Water Works Community. (See Article VII of the CC&R's.)

Please note that approved applications must be completed in a timely manner. A project completion date is required on the Application. If additional time is required for you to finish your project, an extension request is listed on the second page of these forms.

## To comply with the CC&R's, please submit this application with all the required attachments to:
