Reservations for large group events (50 or more people) must be approved by the Tone Ranch Board of Directors. All approvals are subject to availability and will be coordinated through the cognizant Landscape Committee contact:

Approval forms may be completed either electronically or manually.

Please follow the rules posted in the park. Note the "NO GLASS CONTAINERS" restriction, which includes glass beer bottles.

You are required to remove and dispose of all the trash (whether or not it is yours) and replace the trash bag in the trash container.

Amplified music, speakers, microphones, etc. are prohibited. Bouncers are not allowed in any of the park areas due to insurance liability concerns.

Be aware of parking – driveways and public access areas must be kept clear at all times.
