Front Door Wood Stain Finish Options

Homeowners may apply for approval to finish their front door using a natural wood stain or similar finish. The following wood stain colors have been pre-approved. Similar colors from other manufacturers will be considered on a case-by-case basis.

- Light Oak
- Natural Oak
- Walnut
- English Walnut
- Mahogany
- Cherry
- Cedar
- Java
- Black or "Ebony"

Security Screen Door or Iron Entry Door Color Options

- Black
- Dark Brown
- Oil Rubbed Bronze
- Front Door Color approved for the Dwelling

Garage Door Wood Grain Finish Options

Wood grain finishes require ARC review and approval prior to installation. The following factory installed wood grain finishes pre-approved color for Clopay garage doors. The intent is not to limit selection to a single manufacturer. Other manufacturers and finishes will be considered by the ARC on a case-by-case basis.

- Ultra-Grain Oak Medium Finish
- Ultra-Grain Oak Dark Finish
- Ultra-Grain Oak Walnut Finish
- Ultra-Grain Oak Slate Finish

Sun Screen Color Options

ARC approval for sun screens is not required so long as all windows are finished with sun screen material that is dark bronze, black, charcoal, or gray in color and screen frames that match existing window frames and grilles. Aluminum (silver colors) are strictly prohibited and will not be approved.

Silverstone Ranch Association

Master Color Palette

Adopted April 28, 2021

Landscape Rock and Boulder Options

The following rock and boulder colors are pre-approved. Other gold or coral colors will be considered on a case-by-case basis. **Note: Lava rock, cinder rock, wood chips, and artificially colored rock are prohibited and will not be approved.**

- Madison Gold
- Desert Gold aka "Palm Gold"
- Coral aka "Pink Coral"
- River Rock aka "Cobble" (3"- 6" diameter)
- Surface Select Boulders

Concrete Paver Options

Concrete paver installations for driveways, walkways, and additional parking areas requires ARC approval prior to installation. The following concrete paver types, color blends, and layout patterns from Phoenix Paver Manufacturing are pre-approved. The intent is not to limit concrete paver selection to a single manufacturer. Other concrete pavers, color blends, and layout patterns may be considered on a case-by-case basis.

Paver Types:

- Standard Pavers
- Holland Pavers
- Townscape Pavers

Paver Color Options:

- Territorial
- Tierra Norte
- Native

Paver Layout Patterns:

- 3, 4, 5-piece Modular
- Herringbone
- Running Bond

Stone Veneer Options

Exterior stone veneer requires ARC approval prior to installation. The following stone veneer options from Coronado Stone Products and StoneCraft Industries are pre-approved. Stone veneer selection is not limited to specific manufacturers and other stone veneer options will be considered for approval on a case-by-case basis.

- Coronado - Country Castle
- Coronado Ledgestone - Pro-Ledge
- Coronado Ledgestone - Quick Stack
- Coronado - Minnesota Fieldstone
- StoneCraft - Ledgestone
- StoneCraft - Laurel Cavern Ledge

Roof Tile Color Options

New roof tiles require architectural approval prior to installation. Colors must be soft "desert earth tones", such as terracotta, sand, tans, browns, or grays, and may NOT be blue, white, red, or other bright colors.

Note: The original Monier Homestead concrete roof tiles installed by the builder have been discontinued. A limited supply of replacement roof tiles may be available at a local roof tile "boneyard" specializing in out-of-production and salvaged tiles. Availability of matching roof tiles is not guaranteed.

Window Replacement Frame Color Options

New replacement windows require approval prior to installation. Pre-approved frame colors are white, sand, taupe, and bronze (manufacturer's color name will vary). Clear anodized aluminum finishes are not permitted. Other manufacturer-applied frame colors and finishes will be considered on a case-by-case basis.

Window frames may also be painted to match the color scheme approved for the home. Homeowners are responsible to contact the manufacturer or installer to verify that their frames may be safely painted.

Schemes are approved as presented only. Mixing colors from different schemes is not permitted without prior approval of the Architectural Review Committee.

COLOR DISCLAIMER: These color chips are produced as accurately as possible; however, actual paint colors may vary from these samples and from batch to batch. Paint colors are affected by many factors, including lighting, age, type of finish, type of surface, and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full application. Application of the paint constitutes acceptance of the color. Dunn-Edwards assumes no responsibility for color after application.

Paint colors are affected by many factors, including lighting, age, type of finish, type of surface, and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full application. Application of the paint constitutes acceptance of the color. Dunn-Edwards assumes no responsibility for color after application.
