

GREATER GRANVILLE

COMMUNITY NEWSLETTER

JUNE 2022

THERE IS NO DOG WASTE PICK-UP FAIRY!

Not picking up after pets used to be the #1 complaint a couple of years ago, now it is the #1 complaint in the community again! Please pick up after your pets. As a pet owner, keeping pets leashed and picking up the waste is the law. Anyone walking a pet, regardless of age, is responsible for controlling that pet and picking up the pet's waste. The penalty for either of these violations is an immediate \$50.00 fine.

VEHICLES

Residents, we would like to remind you that any tent-trailer, camper trailer, storage hauler, or empty trailers are not permitted anywhere on the private property of Greater Granville. They are allowed only inside a garage entirely out of view. Parking areas and spaces are only to be used by the residents and short-term visiting guests for any registered and operating vehicles. Thank you to those who no longer idle their vehicle near residences. Also, it may be fun to drive a loud car, but it is actually against the CCRs to have noisy vehicles. Please do not back up close to residential buildings and start these loud vehicles close to the residences.

VENDOR COOPERATION

Please continue to help vendors get their work done faster and finish the much needed projects by allowing vendors access to clean, clutter-free yards. Take a look. Put unused items in the shed. Keep personal things off the buildings and out of the common areas. Clean up trash and pet waste in the rear yards. Vendors may need to block off parking spaces and areas around buildings as the final phase of the painting project begins. Not parking in or walking through barriers is for the safety of yourself and your vehicles.

Do you need a copy of the Rules and Regulations updated in August 2020? Please email Don at DAdkins@wearevision.com for assistance. You can also view them online by visiting our website at WeAreVision.com/GRT.
