NO ROAD ISSUES, JUST WANT TO SAY THANK YOU! _____

Are you a fulltime resident Yes ___ No ___ **EMERGENCY ROAD situation?** Yes ___ No ___

Please understand due to weather, logistics, location of equipment, we may not be able to provide IMMEDIATE service. There may be other owners and areas prioritized. We are not available 24/7, weekends or holidays to respond, do not "snowplow", cannot move mud or water. Time and patience may have to be part of the plan. Weather and breakdowns permitting, we attempt to grade every needed SVR road once per year. It may appear we missed your area, but if not needed, we will not grade. We don't grade dust, mud, solid rock, weeds, or compacted surfaces. Submitting this request now, does not mean we will change plans or schedules and return equipment back to your area if we were just there until the next grade cycle unless an emergency exists. We will make sure your concern is responded to, tracked for progress/completion, and scheduled as needed. THANK YOU for your patience, we are trying to do best we can, for all SVR owners and all SVR roads!
