Rules and Regulations

INTRODUCTION

This manual contains the Rules and Regulations established by the Board of Directors of this Association in February 2010. These Rules and Regulations become effective upon receipt of same by the Scottsdale Park Villas resident. Additional or revised Rules and Regulations may be enacted in the future and distributed to the members of the Association. Additional or revised Rules and Regulations will be subject to the enforcement provisions set forth herein and shall become effective upon receipt. This manual is intended to be of benefit to homeowners and tenants alike. Though these policies may seem restrictive in nature, they are designed as guidelines for good community relations. The provisions contained herein are supplemental to the covenants contained in the document known as the “Declaration of Covenants, Conditions and Restrictions” (CC&R’s) recorded in Maricopa County, Arizona. This manual also incorporates, by reference herein, the Articles of Incorporation and the By-Laws of this Association. Violation of these Rules and Regulations may result in unnecessary expense to the responsible party.

The Board hopes, however, that these policies will facilitate communication and cooperation throughout our community.
