DUMPSTERS AND BULK TRASH

We kindly remind everyone that leaving any items in the common areas is prohibited. This includes dumping bulk trash in or near the dumpsters. Please utilize bulk-trash pick-up services or donate your bulk items. Your cooperation in maintaining the cleanliness and orderliness of our shared spaces is greatly appreciated. Thank you for your diligent attention to this matter.

Gilbert, Arizona's bulk trash program is a service for items that are too large to fit in our community dumpsters.

The town offers bulk trash pickup every five weeks, except during the weeks of Thanksgiving and Christmas.

All items collected in our bulk trash program are taken to the landfill. Household trash is not accepted for bulk pickup and should be bagged and placed in your black curbside trash container
