**ENFORCEMENT**

These rules are for maintaining our community quality. Some of the rules were drawn up from the Pecos North Covenants, Conditions, and Restrictions; City Ordinances; and Maricopa County Codes. Others were made for protection against insurance liability problems and medical reasons. If you see anyone violating the rules, please inform him/her at once. After all, it is our community. If you witness a crime or damage to the common areas in progress, please report it immediately to the Phoenix Police Dept. at 602-495-5004. Please do not try to stop the crime yourself.

If you are unsure of any of the above policies or need help on any Association matters, please feel free to call or email Vision Community Management at 480-759-4945 or [PecosNorth@WeAreVision.com](mailto:PecosNorth@WeAreVision.com). **INTRODUCTION**

Living in your own home can be a rewarding experience, especially at Pecos North, which we consider to be one of the finest communities in the Valley. With this in mind, these Rules and Regulations were compiled by your Association Board of Directors in conformance to the Homeowners Association Covenants, Conditions, and Restrictions (CC&R's) for the purpose of protecting your property, its value, and making Pecos North a most pleasant place to live. Your cooperation is essential. We do not have a rule for every situation. Nor do we desire to regulate everything. Use common sense and always be considerate of your neighbors and your neighbors' property. Most of the rules are based on common sense and good citizenship and will help make the community environment the best life-style in the Valley.

Homeowners have been provided with a copy of the CC&R's of the Homeowners Association. We urge you to read this document since it sets forth in a complete and detailed form, the right, duties and obligations of each Homeowner. The following rules supplement and/or more clearly define portions of the CC&R's. If you do not have a copy of the CC&R's, contact Vision Community Management for a copy and be sure that you understand them fully. Cost for hard copies of any documents requested by the Homeowner will be paid for by the Homeowner.
