IMPORTANT INFORMATION

Homeowners must paint the four walls of their home (this includes the side exposed to the neighboring house on either side).
Homeowners must paint the interior of the common walls. The inside of common walls may be painted the house color.
Homeowners cannot paint the top or outside of common walls! The top and outside paint color will remain the original color.

Subject: Original FCHOA Paint

Home Depot no longer has the original base pant previously used for Fountain Court Body and Trim. Also, Home Depot does not keep HOA paint specifications on file at their stores.

We have matched our original FCHOA paint colors using the new BASE 4400 FLAT MATT PREMIUM PLUS EXTERIOR PAINT. Below are the new formulas for our original body and trim colors.
