RESOLUTION REGARDING AGENDA PREPARATION AND IDENTIFICATION OF CLOSED PORTIONS OF BOARD MEETINGS

- 1. Delegation of Agenda Authority.** The Board hereby authorizes the Board President, or such other officer as may be authorized by this Resolution or future Board action, together with the Association's Managing Agent, to prepare, review, and finalize agendas for meetings of the Board of Directors, subject to the Association's Governing Documents, A.R.S. § 33-1804, and applicable law.
- 2. Managing Agent.** For purposes of this Resolution, the term "Managing Agent" means the community manager assigned to the Association by the Association's management company, or another specifically designated representative of the management company approved by the Board President or the Board for purposes of agenda preparation, notice, and meeting administration.
- 3. Open Meeting Agenda Items.** The authorized individuals identified in this Resolution may identify matters proposed for consideration in a closed portion of a Board meeting and shall identify on the agenda or notice, as applicable, the paragraph under A.R.S. § 33-1804(A) that is believed to authorize the closed portion. The Board retains ultimate authority to determine whether to enter into or remain in a closed portion of a meeting, and any closed portion shall be limited to consideration of matters permitted by A.R.S. § 33-1804(A). The agenda shall include more than a citation to the applicable paragraph of A.R.S. § 33-1804(A) and shall contain information reasonably necessary to inform Members of the matter to be discussed or decided, without disclosing attorney-client privileged information, personally identifying information, personal, health, financial, or

other confidential information, or other information that may properly be withheld under Arizona law.

4. **Closed Portion Agenda Items.** The authorized individuals identified in this Resolution may determine whether a matter is proposed for consideration in a closed portion of a Board meeting and shall identify the applicable paragraph under A.R.S. § 33-1804(A) that authorizes the Board to close that portion of the meeting. The agenda shall include sufficient non-privileged and non-confidential information to reasonably advise Members of the matter to be addressed, without disclosing attorney-client privileged information, personal, health, financial, or other confidential information, or other information that may properly be withheld under Arizona law.
5. **No Delegation of Board Decision-Making Authority.** This Resolution delegates authority for agenda preparation, meeting administration, and statutory identification of closed portion authority. It does not delegate the Board's authority to vote, approve, deny, ratify, authorize, or otherwise take formal action on behalf of the Association.
6. **No Voting or Formal Action in Closed Portion.** No vote, approval, denial, ratification, authorization, or other formal action of the Board shall be taken in any closed portion of a meeting. Any formal action following consideration in a closed portion shall be taken only in an open portion of a duly noticed meeting, subject to applicable law and protection of privileged, confidential, personal, health, or financial information.
7. **Member Comment Before Formal Action.** If the Board considers a matter in a closed portion and later intends to take formal action on that matter, the Board shall return to an open portion of a duly noticed meeting and allow member comment as required by A.R.S. § 33-1804 before taking formal action, while preserving privileged, confidential, personal, health, financial, or other information that may properly be withheld under Arizona law.
8. **Board Member Agenda Requests.** Any Board member may request that an item be placed on a future Board meeting agenda. Such requests should be submitted to the Board President, other authorized officer, or Managing Agent sufficiently in advance of the meeting to allow for review, agenda preparation, and statutory notice. The authorized individuals may determine the appropriate meeting, agenda placement, wording, and whether the item should be addressed in open session or proposed for consideration in a closed portion of the meeting, subject to applicable law and the Board's ultimate authority.
9. **Compliance With Notice and Agenda Requirements.** The authorized individuals shall endeavor to ensure that notices and agendas are prepared and provided in accordance with A.R.S. § 33-1804, the Association's Governing Documents, and applicable Arizona law. Nothing in this Resolution shall be construed to authorize the disclosure of privileged or confidential information in any meeting notice or agenda.

10. **Emergency Meetings.** Nothing in this Resolution shall limit the Association's ability to call or conduct an emergency meeting, to discuss business or take action that cannot be delayed for the forty-eight hours required for notice, to the extent permitted by A.R.S. § 33-1804. At any emergency meeting, the Board may act only on emergency matters, and the minutes shall state the reason necessitating the emergency meeting.
11. **Continuing Board Authority.** The Board retains ultimate authority over the business and affairs of the Association. The Board may modify the agenda process, direct that an item be added to a future agenda, or otherwise act within its authority at any duly noticed meeting.
12. **Amendment or Rescission.** This Resolution may be amended or rescinded by a subsequent resolution of the Board or through formal action taken by the Board at a duly noticed meeting and recorded in the meeting minutes.

RESOLVED that the Board hereby adopts this Resolution effective as of the date set forth below.
