

Rovey Farm Estates
Application for Architectural Design Review

All construction or modification that in any way alters the exterior appearance of the residence (including landscaping) requires review and approval by the Design Review Committee. This review and approval is required prior to beginning the construction. A refundable \$100 fee is required to be submitted with the request. The fee will be refunded upon completion of the construction and inspection by the property manager. If the construction has begun prior to the approval, the fee will not be refunded. When the project is completed it is the homeowners responsibility to contact the Property Manager (see below) for inspection. Finalized approval will occur upon inspection.

The request for approval must be accompanied by plot plans with dimensions of the lot and specifications showing the nature, kind, color, shape, height, materials, and location of the improvement. This request and the required attachments shall be submitted to:
