

COLONY BILTMORE GREENS

EXTERIOR FRONT DOOR CRITERIA

Repairing current wood doors:

Please choose your stain color from the following 4 Dunn-Edwards color choices:

- a) Weathered Brown (OK56)**
- b) Cocoa (OK 74)**
- c) Spice Brown (OK608)**
- d) Mission Brown (OK 251).**

Replacing wood doors:

Should you require replacing your front wood doors, the style must be similar to the existing doors. Solid wood doors are preferred. A single door or double doors may have a sidelight on one or both sides. Possible manufacturers of these doors may be Thermatru or Pella. The Architectural Committee must approve all replacement doors before installation.
