The following plants are approved “fast track” plants that homeowners may plant in front of their units:

1. Orange Jubilee
11 ft. high, 6 ft. wide, full sun
2. Sonoran Yellow Bell
8 ft. high, 6 ft. wide, full sun
3. Bougainvillea
8 ft. high, 8 ft. wide, full sun
4. Dwarf Oleanders
4 ft. high, 3 ft. wide, full sun
5. Lantana
3 ft. high, 3 ft. wide, full sun
6. Honeysuckle
5 ft. high, 3 ft. wide, partial sun
7. Dwarf Myrtle
4 ft. high, 3 ft. wide, partial sun
8. Japanese Privet
4 ft. high, 3 ft. wide, partial sun
9. Natal Plum
2 ft. high, 3 ft. wide, partial sun
10. Dwarf Pittosporum
30” high, 3 ft. wide, partial sun
11. Japanese Boxwood
4 ft. high, 3 ft. wide, partial sun

NOTES:

1. Sizes listed are maximum growth and can be reduced to fit an area by trimming
2. All plants listed are currently growing in Los Olivos and have proven to thrive here
3. Other plants that are consistent with the existing landscape can be requested by a homeowner completing a Landscape Request Form.
