Outdoor Table Raffle – September Meeting!

The Board of Directors recently replaced the glass-top table that was in the pool area with new furniture. The old table will be raffled off at the next board meeting! The table is round (48") with a glass-top and beige colored trim. If you are interested in entering for a chance to win this table, please contact Vision **by 5:00 PM on Friday, September 8th**, to be entered into the drawing. (Please note that the winner must have a method of moving/transporting the table because delivery is NOT included).

Upcoming Landscape Project

Over the next several weeks, the landscape renovation project will begin. In the areas where turf is to be converted to granite, the first step will be to chemically treat the turf in order to kill it. This process occurs over the course of 3-4 weeks, and completed, new granite will be installed in these areas. Please contact management with any questions or concerns.

Revised Rules & Regulations and Design Guidelines

The board of directors has recently approved revisions to the Rules & Regulations and the Design Guidelines. Please visit the website to review the new Rules & Regulations and the new Design Guidelines and contact Vision if you have any questions.
