Section 4.02. Membership. Each Owner shall be a member of the Association so long as he shall be an Owner and such membership shall automatically terminate when he ceases to be an Owner, and upon the transfer of such ownership interest, the new Owner succeeding to such ownership interest shall likewise succeed to such membership in the Association.

Section 4.03. Voting. The Association shall have two (2) classes of voting membership.

Class A. Class A Members shall be all Owners other than Declarant. Class A Members shall be entitled to one (1) vote for each Condominium Unit owned. When more than one Person owns an interest in Unofficial Document Condominium Unit, each such Person shall be a member of the Association but the vote for such Condominium Unit shall be exercised as the co-Owners themselves determine, but in no event shall more than one (1) vote be cast with respect to any Condominium Unit. The Association shall not be required to recognize the vote or written assent of any such co-Owner except the vote or written assent of the co-Owner designated in a writing executed by all of such co-Owners and delivered to the Association.

Class B. The Class B Member shall be Declarant. The Declarant shall be entitled to three (3) votes for each Condominium Unit which it owns; provided, however, the Class B Membership shall cease and be converted into Class A Membership not later than one hundred twenty (120) days after the happening of whichever of the following is first in time:

85 561860

(a) when the total votes outstanding in the Class A Membership equal or exceed the total votes outstanding in the Class B Membership; or

(b) on the third anniversary of the first conveyance of a Condominium Unit by Declarant to an Owner.

Section 4.04. Board Of Directors. The governing body of the Association shall be the Board of Directors elected pursuant to the Bylaws. The Board shall consist of not less than three (3) members and not more than five (5) members. Except as otherwise provided in this Declaration, the Bylaws, or Association Rules, the Board may act in all instances on behalf of the Association. The Board shall act to adopt the Bylaws and Association Rules.

Section 4.05. Qualification Of Directors. Except for Board members designated by Declarant, each Director shall be an Owner or the Unofficial Document an Owner (or if an Owner is a corporation, partnership, or trust, a Director may be an officer, partner, trustee or beneficiary of such Owner). If a Director shall cease to meet such qualifications during his term, he will thereupon cease to be a Director and his place on the Board shall be deemed vacant.

Section 4.06. Independent Manager. The Board may employ a responsible person or entity as manager to manage, operate and maintain the Common Elements, with all of the administrative functions and such other powers and duties as the Board may delegate from time to time and for such fees as the Board may establish consistent with other provisions of this Declaration. Any agreement for management of the Property shall be in writing and shall provide for termination by either the Association or the management agent for cause on not more than thirty (30) days written notice, and the term

85 561860

of such agreement shall not exceed one (1) year, renewable by written agreement of the parties for successive periods of one (1) year.

Section 4.07. Action By Owners. The Board may not act on behalf of the Association to amend or terminate this Declaration, or to elect members of the Board, except in filling vacancies in its membership for the unexpired portion of any term. The Owners, acting by a majority of the voting power of the Association at a general or special meeting, may reject any act of the Board in fixing the annual budget, general Assessments, or special Assessments; provided such veto is exercised within thirty (30) days after the Board action.

Section 4.08. Annual Meeting. The first meeting of the Association shall be held not later than one hundred twenty (120) days after the first conveyance of a Condominium Unit from Declarant to an ^{Unofficial Document} owner is recorded. Thereafter, the annual meeting shall be held as provided in the Bylaws.

Section 4.09. Right Of Association To Enter Condominium Units. The Association acting through the Board or its duly authorized agent shall have the right at all times upon reasonable notice (and at any time in case of an emergency) to enter upon or in any Condominium Unit to abate any infractions, to make repairs, or correct any violation of any of the Restrictions herein set forth, and in connection therewith shall have the further right to assess all costs incurred against the Owner, such assessment to be secured by the lien provided in Section 5.01.

Section 4.10. Association Rules. The Board shall adopt Association Rules in furtherance of the Bylaws for the regulation and operation of the Property, including recreational facilities. The Board shall have the right to exclude

85 561860

from the use of the recreational facilities any Owner who is delinquent in the payment of any Assessment levied in accordance with ARTICLE V hereof.

Section 4.11. Reserve Fund. The Association shall maintain an adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis, and such reserve shall be funded as part of monthly Assessments. Upon the Declarant first conveying a Condominium Unit to an Owner, the Declarant shall establish for the Association an initial working capital fund in an amount equal to three (3) months' Assessments for each of the Condominium Units in the Property. Notwithstanding anything herein to the contrary, and in addition to any impound of assessments required by an Owner's Lender, and not in lieu of an Owner's obligations to pay current monthly assessments, each Owner shall pay ^{Unofficial Document} to the Declarant, upon the close of the escrow pursuant to which the Owner acquires such Condominium Unit from Declarant, a sum equal to the three (3) months' Assessments to reimburse Declarant for the contribution to the Association's working capital fund.

Section 4.12. Availability of Property Documents. The Association will maintain current copies of this Declaration, the Articles, Bylaws, and Association Rules concerning the Property and the Association's own books, records, and financial statements available for inspection during normal business hours by an Owner or Lender (or any insurer or guarantor of a Lender).

V

COVENANT FOR ASSESSMENTS

Section 5.01. Creation Of Lien And Personal Obligation For Assessments. Each Owner, including Declarant to the extent Declarant is an Owner as defined herein, of any Condominium Unit, by acceptance of a deed or other instrument creating in such Owner the interest required to be deemed an Owner, whether or not it shall be so expressed in any such deed or other instrument, is deemed to covenant and agree to pay to the Association, such Assessments to be fixed, established and collected from time to time as provided in this Declaration. The Assessments, together with interest thereon, late charges, attorneys' fees, court costs and other costs of collection as hereinafter provided, shall be a continuing lien upon the Co^{Unofficial Document}um Unit against which each such Assessment is made. Each such Assessment, together with such interest, late charges, costs and attorneys' fees, shall also be the personal obligation of the Owner of such Condominium Unit at the time the Assessment becomes due. The personal obligation shall not pass to the successor in title of an Owner unless expressly assumed by such successor.

Section 5.02. Purpose Of Assessments. The Assessments levied by the Association shall be used exclusively for the purposes of promoting the health, safety and welfare of the Owners, the management, maintenance, care, preservation, and protection of the Property, enhancing the quality of life in the Property and the value of the Property including, without limitation, the improvement and maintenance of the services and facilities devoted to this purpose and related to the use and enjoyment of the Common Elements, or in furtherance of any other duty or power of the Association.

85 561860

Section 5.03. Regular Assessments. Not later than thirty (30) days prior to the beginning of each fiscal year, the Board shall distribute to each Owner a pro forma operating statement or budget for the upcoming fiscal year which shall, among other things, estimate the total Common Expenses to be incurred for such fiscal year. The Board shall at that time determine the amount of the regular Assessment to be paid by each Owner. Each Owner shall thereafter pay to the Association his regular Assessment in equal monthly installments on the first day of each month. In the event the Board shall determine that the estimate of total charges for the current year is, or will become, inadequate to meet all Common Expenses for any reason, it shall then immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the Common Expenses and determine the revised amount of the regular Assessment against each Owner, and the date or dates when due.

Section 5.04. Capital Improvement Assessments. In addition to regular Assessments, the Board may levy in any fiscal year a capital improvement Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction or replacement (other than due to destruction) of a described capital improvement upon the Common Elements, including the necessary fixtures and personal property related thereto. The Board shall not impose a capital improvement Assessment exceeding ten percent (10%) of the then estimated annual Common Expenses without the approval of a majority of the voting power of the Association. All amounts collected as capital improvement Assessments may only be used for capital improvements and shall be deposited by the Board in a separate bank account to be held

85 561860

in trust for such purposes and said funds shall not be commingled with any other funds of the Association.

Section 5.05. Uniform Assessments. All Assessments (other than special Assessments) shall be fixed at an equal amount for each Condominium Unit (1/96).

Section 5.06. Certificate Of Payment. The Association shall, upon demand, furnish to any Owner liable for Assessments a certificate in writing signed by an officer or authorized agent of the Association setting forth whether the Assessments relating to a specified Condominium Unit have been paid and the amount of delinquency, if any. A reasonable charge may be collected by the Association for the issuance of each such certificate. Each certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

Section 5.07. Special Assessments. Special Assessments shall be levied by the Association against a Condominium Unit and its Owner to reimburse the Association for:

(a) costs incurred in bringing an Owner and his Condominium Unit into compliance with the provisions of this Declaration, the Bylaws, or Association Rules;

The Board may adopt rules applicable to the provisions of this Section and their enforcement, including the assessment of charges to Owners and Occupants who violate, or whose invitees violate, such rules. Any charges so assessed shall be special Assessments. The foregoing

85 561860

be defined as rental for any period of less than thirty (30) days. No Owner may lease less than his entire Condominium Unit. Any Owner who shall lease his Condominium Unit shall be responsible for assuring compliance by the Occupant with this Declaration, the Bylaws and the Association Rules. Failure by an Owner to take legal action, including the institution of a forcible entry and detainer proceeding against his Occupant who is in violation of this Declaration, the Bylaws or the Association Rules within ten (10) days after receipt of written demand so to do from the Association, shall entitle the Association to take any and all such actions, including the institution of proceedings in forcible entry and detainer on behalf of such Owner, against his Occupant. Any expenses incurred by the Association, including attorneys' fees and costs of suit, shall be repaid to it by such Owner. Failure by such Owner to make such repayment within ten (10) days after receipt of a written demand therefor shall entitle the Board to levy a special Assessment against such Owner and his Condominium Unit for all such expenses incurred by the Association. In the event such special Assessment is not paid within thirty (30) days of its due date, the Board may resort to all remedies of the Association for the collection thereof.

Section 8.15. Association Rules. The Association shall have the power to make and adopt reasonable Association Rules with respect to activities which may be conducted on any part of the Property. IX

INSURANCE

Section 9.01. Authority To Purchase. Commencing not later than the date a Condominium Unit is conveyed to a Person other than Declarant, the Board shall have the authority to and shall obtain the insurance provided for in this Article.

Section 9.02. Hazard Insurance. The Board shall obtain a master or blanket policy of property insurance on the entire Property including the Condominium Units and the Common Elements (excluding land, additions, improvements and decorations made in the C^{Unofficial Document}um Units by the Owners and Occupants) insuring the Property against loss or damage by fire and other hazards covered by the standard extended coverage endorsement, and against loss or damage by sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, windstorm, and water damage. Such master policy of property insurance shall be in a total amount of insurance equal to 100% of the current replacement cost, exclusive of land, excavations, foundations and other items normally excluded from such property policies. Such master policy of property insurance shall contain an Agreed Amount Endorsement or its equivalent, if available, or an Inflation Guard Endorsement, together with such endorsements as may be satisfactory to any Lender. If more than one Lender exists, such policy and endorsements shall meet the highest maximum standards of all such Lenders.

85 561860

Section 9.03. Comprehensive Public Liability Insurance. The Board shall obtain comprehensive general liability insurance insuring the Association, the Declarant, the agents and employees of the Association and the Declarant, the Owners and Occupants and the respective family members, guests and invitees of the Owners and Occupants, against liability incident to the ownership or use of the Common Elements. The limits of such insurance shall not be less than \$1,000,000.00 covering all claims for death of or injury to any one person and/or property damage in any single occurrence. Such insurance shall contain a Severability of Interest Endorsement or equivalent coverage which would preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or another Owner or Occupant. Such insurance shall ^{Unofficial Document} also include protection against water damage liability, liability for nonowned and hired automobiles, and liability for the property of others. Such insurance must provide that, despite any provisions giving the carrier the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the approval of the Association. The Board shall adjust the amount of the insurance carried under this Section from time to time.

Section 9.04. Workmen's Compensation Insurance. The Board shall purchase and maintain in effect workmen's compensation insurance for all employees of the Association to the extent that such insurance is required by law.

Section 9.05. Fidelity Insurance. The Board shall obtain fidelity coverage against dishonest acts on the part of directors, officers, employees or volunteers who handle or who are responsible for handling the funds of the

85 561860

Association. Such fidelity bonds shall name the Association as obligee and shall be written in an amount equal to one hundred fifty percent (150%) of the estimated current annual Common Expenses of the Association, including reserves, and shall contain waivers of any defense based on the exclusion of persons who serve without compensation from any definition of "employee" or similar expression.

Section 9.06. Premiums. Premiums upon insurance policies purchased by the Board on behalf of the Association shall be paid by the Association as part of the Common Expenses.

Section 9.07. Policy Provisions.

(a) Any insurer that has issued an insurance policy to the Association under this Article shall also issue a certificate or memoranda of insurance to the Association and, upon request, to any Owner or Lender.

Unofficial Document

(b) The named insured under any policy of insurance shall be the Association, as trustee for the Owners, or its authorized representative, including any trustee with which the Association may enter into any Insurance Trust Agreement, or any successor trustee, each of which shall be referred to as the "Insurance Trustee" who shall have exclusive authority to negotiate losses under the policies. Each Owner hereby appoints the Association, or any Insurance Trustee, as attorney-in-fact for the purpose of purchasing and maintaining insurance required by this Article, and adjustment of all losses related thereto, including: the collection and appropriate disposition of all insurance proceeds, the negotiation of all losses and execution of releases of liability, the execution of all documents and the performance of all other acts necessary to administer such

85 561860

insurance. The Association shall receive, hold, or otherwise properly dispose of any proceeds of insurance in trust for the Owners and their Lenders, as their interests may appear. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representatives, successors or assigns of an Owner.

(c) The Association's insurance shall contain the "Special Condominium Endorsement" or its equivalent. Insurance coverage may not be brought into contribution with insurance purchased by the Owners.

(d) Coverage must not be limited by (i) any act or neglect by Owners or Occupants which is not within control of the Association; or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Property over which the Association has no control.

Unofficial Document

(e) Coverage may not be cancelled or substantially modified (including cancellation for nonpayment of premiums) without at least thirty (30) days prior written notice to the Association and all Lenders, and to any Owner to whom a certificate has been issued.

(f) All policies must contain a waiver of subrogation by the insurer as to any and all claims against the Association, Owners, Occupants and their respective agents and employees, and any defenses based on co-insurance or on invalidity arising from acts of the insured.

Section 9.08. Supplemental Insurance. The Board may obtain such other policies of insurance in the name of the Association as the Board deems appropriate to protect the Association and Owners, including, without limitation, errors and omissions insurance for officers and directors of the

85 561860

Association. Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood, and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for condominium projects established by Federal National Mortgage Association and Government National Mortgage Association, so long as either is a mortgagee or Owner of a Condominium Unit, except to the extent such coverage is not available or has been waived in writing by Federal National Mortgage Association or Government National Mortgage Association.

Section 9.09. Annual Insurance Report. Not later than sixty (60) days prior to the beginning of each fiscal year, the Board shall obtain a written report by a reputable independent insurance broker or consultant setting forth the existing insurance obtain^{Unofficial Document} uant to this Article and stating whether, in the opinion of such broker or consultant, the insurance complies with the requirements of this Article. Such report shall also set forth recommendations regarding current policy provisions and for additional insurance reasonably required for the protection of the Owners and Lenders in light of the insurance then available and the prevailing practice with respect to other similar Condominium Units. The Board shall be fully protected in relying on the written report furnished pursuant to this Section provided reasonable care and prudence were exercised in selecting such independent insurance broker or consultant.

Section 9.10. Insurance Obtained By Owners. An Owner or Occupant shall be permitted to insure his personal property against loss by fire or other casualty and may carry public liability insurance covering his individual liability for damage to persons or property occurring inside his

85 561860

Condominium Unit. An Owner may carry additional hazard insurance covering the improvements in his Condominium Unit so long as it is limited to the type and nature of coverage commonly known as "tenant improvements" as well as additional liability insurance covering exposure from the ownership or use of the Common Elements. All such policies as may be carried by an Owner shall contain waivers of subrogation of claims against the Association, the Board, other Owners or Occupants, the Declarant and the agents and employees of each of the foregoing. All such policies as may be carried by an Owner shall not adversely affect or diminish any liability under any insurance obtained by the Association, and the Owner shall deposit a duplicate copy or certificate of any such other policy with the Association, except for casualty policies covering personal property and liability policies covering loss within the Condominium Unit. Except as provided in this Section 9.10, no Owner shall separately insure his Condominium Unit against loss by fire or other casualty covered by any insurance carried by the Association. If any Owner violates this provision, any diminution in insurance proceeds otherwise payable under policies issued to the Association that results from the existence of such other insurance will be chargeable to the Owner who acquired the other insurance and such Owner will be liable to the Association to the extent of any diminution.

X

DESTRUCTION OF IMPROVEMENTS

Section 10.01. Automatic Reconstruction. In the event of partial or total destruction of a Building or Build-

85 561860

ings or any portion of the Common Elements within the Property, the Board shall promptly take the following action:

(a) The Board shall ascertain the cost of reconstruction by obtaining fixed price bids from at least two (2) reputable contractors, including the obligation to obtain performance and lien payment bonds.

(b) The Board shall determine the amount of insurance proceeds, if any, payable by contacting the appropriate representative of the insurer of said Building or Buildings.

(c) If the Board determines: (i) that insurance proceeds will cover eighty-five percent (85%) or more of the estimated cost of reconstruction, or (ii) that available insurance proceeds together with available reserves and/or a special Assessment equal to twenty-five percent (25%) or less of the then aggregate annual regular Assessments for all Condominium Units will completely cover the estimated cost of reconstruction, then the Board shall cause notice to be sent to all Owners and to all Lenders encumbering Condominium Units within the Property setting forth such findings and informing said Owners and Lenders that the Board intends to commence reconstruction pursuant to this Declaration. In the event that at least twenty percent (20%) of the Owners, based on one (1) vote for each Condominium Unit, object in writing to such reconstruction as indicated in such notice, the Board shall call a special meeting of the Owners pursuant to Section 10.02. In the event that the foregoing requirements are satisfied and the requisite number of Owners do not object in writing to such reconstruction, the Board shall cause reconstruction to take place as promptly as practicable thereafter. In connection with such reconstruction, the Board shall

Unofficial Document

85 561860

levy a uniform special Assessment against each Owner at such time and in such amount as the Board shall determine is necessary to cover the costs of reconstruction in excess of insurance proceeds and available reserves.

(d) If the Board in good faith determines that none of the bids submitted under this Section reasonably reflects the anticipated reconstruction costs, the Board shall continue to attempt to obtain an additional bid which it determines reasonably reflects such costs. Such determination shall be made by the Board as soon as possible. However, if such determination cannot be made within ninety (90) days after the date of such destruction because of the unavailability or unacceptability of an insurance estimate or reconstruction bid, or otherwise, the Board shall immediately call a meeting of the affected Owners and all Lenders pursuant to the Section 10.02. Unofficial Document

(e) If the Board determines that any Condominium Unit has become uninhabitable by reason of its total or partial destruction, Assessments may abate against the Owner thereof until the Board determines that habitability has been restored. However, if the Board determines that such abatement would adversely and substantially affect the management, maintenance and operation of the Property, it may elect to disallow such abatement.

Section 10.02. Reconstruction By Vote. If reconstruction is not to take place pursuant to Section 10.01, as soon as practicable after same has been determined the Board shall call a special meeting of the Owners by mailing a notice of such meeting to each such Owner. Such meeting shall be held not less than fourteen (14) days and not more than twenty-one (21) days after the date of such notice. Unless

85 561860

the Owners, by a vote at such meeting or by the written consent of not less than seventy-five percent (75%) of the Owners based on one (1) vote for each Condominium Unit, determine not to proceed with such reconstruction, reconstruction must take place and the Board shall levy a uniform special Assessment against each Owner at such time and in such amount as the Board shall determine is necessary to cover the costs of reconstruction in excess of insurance proceeds and available reserves.

Section 10.03. Procedure For Minor Reconstruction.

If the cost of reconstruction is equal to or less than ten percent (10%) of the face amount of insurance then carried under the Association's hazard insurance policy, then the Board shall contract with a licensed contractor or contractors to rebuild or repair such damaged or destroyed portions of the Property in conformance with the original plans and specifications, or if the Board determines that adherence to such original plans and specifications is impracticable or is not in conformance with applicable laws, ordinances, building codes, or other governmental rules or regulations then in effect, then such repairs or rebuilding shall be of a kind and quality substantially equivalent to the original construction of such improvements.

Unofficial Document

Section 10.04. Procedure For Major Reconstruction.

If the cost of reconstruction is greater than ten percent (10%) of the face amount of insurance then carried under the Association's hazard insurance policy, all insurance proceeds, together with such amounts from available reserves or special Assessments as are needed to complete the cost of reconstruction, shall be paid directly to a bank or savings and loan association located in Maricopa County, Arizona,

85 561860

whose accounts are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, or the successor to either agency, as designated by the Board, as trustee (hereinafter called the "Insurance Trustee") for all Owners and Lenders. Such proceeds shall be received, held and administered by the Insurance Trustee subject to the provisions of an insurance trust agreement which shall be consistent with the provisions of this Declaration and which shall be entered into between the Insurance Trustee and the Board. Disbursement of such funds shall be made only upon the signatures of two members of the Board and upon the terms and conditions provided in this Section. As soon as practicable after notification of the receipt of insurance proceeds by the Insurance Trustee, the Board shall enter into a contract with a licensed contractor or contractors for the repair or rebuilding of ^{Unofficial Document} all of the damaged or destroyed Condominium Units and Common Elements according to the original plans and specifications of said improvements or, if the Board determines that adherence to such original plans and specifications is impracticable or not in conformity with applicable statutes, ordinances, building codes, or other governmental rules and regulations then in effect, then of a quality and kind substantially equivalent to the original construction of such improvements. The contract with such licensed contractor or contractors shall provide for payment to the contractor or contractors of a specified sum for performance and execution of the work therein described, and shall have provisions for periodic disbursement of funds by the Insurance Trustee, which shall be consistent with procedures then followed by prudent lending institutions doing business in Maricopa County, Arizona. Such periodic

85 561860

disbursements of funds shall be for specific dollar amounts and shall not be paid until the contractor who is engaged by the Board shall furnish to the Board before the commencement of construction a full performance and lien payment bond written by a good and responsible corporate surety. Disbursements to the contractor shall be made subject to the prior presentation of an architect's certificate containing such provisions as may be appropriate in the circumstances and deemed suitable by the Board. The Board shall employ a licensed architect to supervise the repair and rebuilding to insure that all work, services and supplies are in conformity with the requirements of the construction contract.

Section 10.05. Termination. If seventy-five percent (75%) or more of the Owners elect not to proceed with the reconstruction at the special meeting held pursuant to Section 10.02, the Board Unofficial Document vide the insurance proceeds and then available reserves into as many shares as there are then Condominium Units, said shares to be in the same proportion as the Owners' respective fractional interest in the Common Elements.
