Bulk Trash

Bulk pick-up is scheduled for one day each month. As there are several different days for this pick-up depending on your neighborhood, here is a link to the City of Goodyear web site for bulk trash. This will allow you to determine your day of pick-up.

<http://www.goodyearaz.gov/government/departments-divisions-a-z/public-works/sanitation-services/bulk-trash>

Please follow the rules posted on this site regarding bulk trash. While the City of Goodyear allows you to place your bulk trash at the curb 7 days prior to collection, the Association and your neighbors would appreciate placement as close to pick up time as is practical for your situation. Remember to place the trash in the street next to the curb so that you do not block the sidewalk, or place a hazard to passing cars.

Street Parking

Owner vehicles are to be parked in garages and driveways only. Street parking may only occur on a nonrecurring and temporary basis. Streets narrowed by on street parking increase the hazard for pedestrians, kids, pets and our vehicles. While it may appear like nothing is being done about the neighbor who habitually leaves their vehicle on the street, your HOA is citing owners in violation and will ultimately gain compliance. We thank you for your patience and understanding. Please don't hesitate to report any issues you may witness to Vision Community Management.

Community Website

Our community has a website intended to keep you informed of our rules and regulations, activities, your account balance, community documents, and important announcements! We invite you to visit the website any time you wish to check your personal account.
